

NINE SEEK PARK POSTS

Charles Geuther, Area Resident 94 Years, Dies

Charles Geuther, a resident of Mokena and vicinity for the past 94 years, died in Silver Cross hospital, Joliet, Thursday morning, May 28, following a long illness.

He was born Feb. 6, 1865 in Frankfort township east of Mokena, the son of John and Elizabeth (Baumgartner) Geuther. On April 21, 1892 he was united in marriage with Miss Sarah Bauch and they set up housekeeping on the farm now occupied by his son Milton and wife on 191st st. and Route 45.

When he retired from farming in 1905, he built and moved into the house, corner of Carpenter st. and Tinley Park road where he had lived since. Following the death of his wife in 1940, he continued living in his home. His children and grandchildren were all ways attentive to him and either they stayed with him or were present each day to assist in the housework and the preparing of meals.

He had a friendly disposition and enjoyed visiting with friends and relatives when they called. The children held open house in his honor on his 90th and 91st birthdays, which he heartily enjoyed and often spoke of the many friends who called on those occasions. He also served a few years as school director for Mokena school district 159.

Surviving are three daughters, Mrs. Mable Kropp, Mrs. Lydia Kohl, and Mrs. Olive Stellwagen, all of Mokena; two sons, Milton of Mokena, and Harold of Jacksonville, Ill., nine grand children and seven great grandchildren.

Removal was to the Hirsch chapel in Tinley Park where services were held Saturday afternoon with the Rev. William Riemann officiating. Burial was in St. John's cemetery Mokena.

Missionary Film To be Shown at Nazarene Church

What are described as actual scenes of demon possession on the Island of Bali high light a new missionary film, "A Cry in the Night," to be shown Friday evening, June 12 at 7:30 p.m. at the Orland Park Church of the Nazarene.

Other key scenes of the hour long full color documentary, as described by World Vision, Inc. which produced it: "Balinese maidens succumb to the powers of demon possession, rise to dance the intricate steps of a ritual they have never been taught... Feathers fly in a temple courtyard, as two savage gamecocks battle... A saintly missionary nurse binds up the wounds of the leprosy in the midst of heartbreak such as few in this world ever see..."

The film, the tenth released by World Vision, recently won first place in the documentary division of the Winona Lake Film Festival, an international competition for religious films. It is being premiered in churches across the country in what is described as a unique distribution plan. Churches using it, rather than paying rental fees or taking an offering for the World Vision organization, are required to take an offering for their own foreign missionary program.

"World Vision is a service organization," explains its president, Dr. Bob Pierce, "and we want 'A Cry in the Night' to serve the churches themselves, and to help them in their own missionary interests." He points to over 40 denominational and inter denominational missionary organizations receiving "emergency aid" from World Vision, along

June 12 Last Day for Candidates to File Nominating Petitions

Nine persons apparently will be candidates for the five places on the Mokena park commission in the special election set for June 27.

At the same time the electors will vote on the proposed establishment of a park district. If the proposal carries, then the five candidates who receive the most votes for the board will be declared elected.

Candidates for the Mokena park board must file their petitions with County Clerk Joseph Hartley at Joliet at least 15 days prior to election. In this case the last day for filing would be June 12. Petitions may be obtained from Hartley, altho some minor changes will have to be written in as the forms he has are for elections in general.

Should the Mokena park district be organized, its secretary would be in charge of its elections in the future.

Whether more may enter the race will not be known, of course, until the last day for filing. It is assumed that those who have taken out petitions will file them within the allotted time.

Charles Swanberg, a member of the present park board and one of the leaders in a move to create a Mokena park district was pleased at the interest shown, as evidenced by the number of persons who would be candidates.

Four of the probable candidates are members of the present park board which is elected by the Mokena Civic association. Swanberg, Mrs. Hugo Niethammer, George Bennett and Arthur Omland.

Two farmers are also in the list of candidates, Clarence Lauffer and Edwin Yunker. The others are residents of Mokena, George Bills, an executive for Johns-Manville company; Kenneth Sherwood, a venetian blind manufacturer and George Carlisle, an expediter for the General Electric company.

Mr. Omland is employed by Montgomery Ward and is a leader in Boy Scout work in Will county; Mr. Bennett is employed by the Mail Tool Co.; Mrs. Niethammer is active in community affairs and Mr. Swanberg is head of the farm implement business bearing his name.

The land comprising Mokena Community park is owned by the Civic association, which is on record as ready to turn the property over to the park district if such is organized.

The park is now operated and maintained by voluntary subscriptions from various organizations. At one time the proceeds from the village homecoming made up a large part of the necessary funds, but homecomings have been abandoned.

It is difficult, the board points out, to maintain the park and any type of recreation program without a regular income for the purpose. Creation of a park district would provide such an income thru the levy of a nominal tax, advocates assert.

Maintenance of public parks is a serious problem in most villages, it was pointed out, because of lack of regular funds.

with over 12,000 children being cared for by the organization in 147 orphanages thru out the Orient.

World Vision's advisory board includes Dr. Billy Graham, chairman; Senator Frank Carlson of Kansas; Gov. Price Daniel of Texas and Roy and Dale Evans Rogers.

Carl Sandburg High Will Hold Commencement Tomorrow Night

Nearly 200 Carl Sandburg high school seniors will receive diplomas at commencement exercises on the night of Friday, June 5.

Since the last quarter's grades will be a determining factor in a few cases of the prospective graduates, the number to receive diplomas is indefinite. The tentative listing of those eligible for graduation lists 194; a figure that could go lower or be raised slightly should an oversight result in omission of a name.

Supt. W. O. Fisher has announced the speaker to be Dr. Henry Hughes, president of Hughes Employment agency.

Awarding the diplomas as representative of the Board of Education will be the duty of Supt. Fisher, as the names are read by G. W. Davidson. This year's list of graduates represent the communities of Orland Park, Palos Park, Palos Heights, Worth, Oak Lawn and Tinley Park. The following lists were compiled according to post office addresses:

ORLAND PARK

Delois Abbott, Thomas Barton, Anthony Basile, Roberta Brancato, Bill Brozovich, Jane Carrier, Bruce Coan, Leon Cooper, Carole Coulter, Carolyn Crane, Tom Davidson, Bob DeWaters, David Ehlman, Gwendolyn Flonder, James Goe Jr., Daena Geissinger, Geraldine, Greenhoe, Madeline Hambrick, Carl Harris, James Hughes, Jerry Hosier, Susan Hugg, Nancy Kartman, Judy Kerkstra, Janet Maue, Peter Mazin, Marge Mendelson, Connie Meredith, Marianne Merwin, Phillip Palmer, Carl Peterson, Walter Reeves, Donald Richter, Judith Robertson, Martha Robson, Joan Smith, Charlene Stewart, Robert Stoutenour, Edwin Switzer, Glen Teason, Reed Williams; Jim Voss, Lockport.

OAK LAWN

Patricia Borre, Beverly Boudreau, James Conrady, Denis Del Bianco, Tom Glonek, Barbara Huch, Allan Jaklich, Daniel Jennings, William Jennings, Eric Johanson, Rosann Johnson, Ingward Jorgensen, Lois Juravie, Christine Kozel, Judy Lytell, Robert Mailhot, Barbara Milham, Linda Moltzmann, David Moore, Keith Newberry, Willy Overdijk, Joe Pierce, Judy Regnier, Richard Rice, Janet Sawyer, Marilyn Schreiber, Margaret Tension, Donald Osborne, Vivian Uz.

zardo, Randall Watkiss, Myrla Winchell, Joyce Young, and Rosemary Zumpe.

TINLEY PARK

Russell Bettenhausen, Richard Breitbarth, Robert Breitbarth, Thomas Cripps, Jerry Gorman, Paul Johnson, Diana Krol, Arthur Maue, Harry Reed, Susan Rockrohr, Gayle Schatz, Joyce Schuldt, Ted Siemsen, Alvin Sippel, Robert Stellwagen.

Rogers, Jennifer Runke, Richard Scherubel, Carol Schneid, Sylvia Sparks, John Swanson, Loretta Van Henkelum, Phil Yurtis.

PALOS PARK

John Bailou, Joyce Barista, Jim Berg, Ronald Bergman, Gayle Biskford, Barbara Blount, Raymond Brash, Robert Cogswell, Richard Cogswell, Florence Dix, Dennis Engler, Royle Freer, Edward Galapaux, David George, David Gibson, Janet Hall, Ken Haller, Janis Henkle, John Homerding, Barbara Johnson, William Johnson, Linda Junge, Rita Jurnann, Arlene Kams, Joyce Kasper, Nancy Kurtz, Gloira Kwiatkowski, Sandra Landin, Dennis Larson, Vicki Leatzow, Madeline Lucas, Geo. Lundin, Peter Milasus, Dave Macarus, Merle Martin, Sherrie Maslovic, Deanna Matyas, Marion Mawhinnie, Cathy McMahon, Pat Moroney, Tom Norton, Ron Obbish, Dennis Ottavi, Alice Paulius, Robert Peterson, Glen Proctor, Sandra Pus-chak, Duane Quast, Deborah Radosevich, Anne Russmann, Robert Schneider, Tom Schreiber, Bonnie Shoup, Mehlin Smith, Sharon Sprowles, Patricia Swayne, Florence Tarssek, Fred Thompson, Cathy Tolliver, Edward Trask, Judy Warren and Ronald Witt.

WORTH

Virginia Eaton, Michael Fundator, David Jutson, Dave Kats, Stanley Maciaszek Sr., Patricia Munding, Charles Parks, Ronald Rabus, Penelope Roberts, Robert Rutgers, Gloria Sherman, Beverly Sleep.

Mokena Lions Install New Staff Tonight

Guiding the activities of the Mokena Lions club for the next fiscal year will be the following recently elected officers: Ralph Thompson, president; Mike Diagulla, 1st vice president; Walter Welsch, 2nd vice president; Larry Istel, 3rd vice president; Al Blotti, Art Omland, Charles Burkhardt, and Fred Steinhagen, directors Jack Hanson, treasurer; Paul Wagner, secretary; Ray Westlund, lion tamer, James Marti, tail tamer, and George Bills, past president.

The men will be installed during the dinner meeting tonight at Valley View Farm.

Workers on the recent Pancake Day were Lions Angland, Benson, Blaha, Book, Brown, Collins, Diagulla, Geuther, Hanson, Homerding, Hubler, Istel, Lehmann, Marcoux, Marti, Miers, Rinke, Searth, Sherwood, Shevlin, Steinhagen Teague, Thompson, Welsch, Werner, Westlund and Yunker.

The chairman, Kenneth Sherwood, expresses appreciation to the Lions, their wives and others who cooperated in the Pancake Day.

The Frankfort Lions club was host to Lions of Lincoln-Way on May 19. Mokena Lions who attended were Charles Burkhardt, Fred Lehmann, Jim Marti, Glenn Miers, and Lyman Teague.

2 New Teachers Join Faculty at Lincoln-Way

A. Hunter Chapman, superintendent of the Lincoln-Way Community high school, announced the appointment of two new faculty members to the Lincoln-Way staff for the next school year.

Miss Rosalie Johnson will be added to the Girls Physical Education dept. Miss Barbara Federman has also been contracted for the Girls Physical Education program.

Both Miss Johnson and Miss Federman are graduates of Eastern Illinois University at Charleston. Miss Johnson graduated in 1957 with a B. S. degree in education. Miss Federman will receive a B. S. degree in Education at the August graduation this summer.

A graduate of the Charleston high school, Miss Johnson plans to work on her Master's degree at the U. of Illinois this summer. She has been teaching physical education at the Fairbury high school since her graduation from Eastern.

Miss Federman, a graduate of the Moweaqua Community high school of Moweaqua, was a business woman for a few years prior to entering college to prepare for the teaching profession.

BIRTHDAY HONORS ACCORDED NIKE GROUP— Formal presentation of battle streamers won in the European Theater in World War II was a part of the birthday celebration of the 22nd Artillery Group yesterday. The Headquarters and Headquarters Battery, stationed at the NIKE base at Orland Park, paraded yesterday at Tinley Park and as a part of the ceremonies the battle streamers were attached to the Group flag. They represent the Group's action in battles in Normandy, Northern France, the Rhineland, Alsace. At the far right is Col. A. W. Masters, commanding officer of the Group and next to him, assisting in the ceremony is Capt. Robert Cheatwood, assistant operations officer. When the army celebrates its 184th birthday June 14, all the NIKE installations in the Chicago region will be open for public inspection. (Marvin Smith photo)

At Sandburg High

Induct 31 in Honor Society

Thirty-one juniors at Carl Sandburg high school have been named to the National Honor society on the basis of scholarship, character, and leadership. Induction into the society was held at the Honors Night program June 1.

Faculty and administrators at Sandburg were asked to rank nominees to the organization on the basis of contact with the students in and out of the classroom.

This year's selections include Ted Brome, Raylean Selke, Betty Stellwagen, Ken Wiltz, Linda Pearson, Joe Straka, Nancy Wiley, Claudia Ling, Joan Lyske, Phyllis

Carey, Arthur Denne, Wilma Maue and Jim Newman.

Others include Pat Barrett, Sandra Mayhall, Mary O'Keefe, Nancy Hlavek, Ron Risner, Anne Cummings, Margaret Hanson, Gary DeBacher, Nancy Beabonec, Sandra Stonebaker, Susan Palmer, Arthur Kartman, Jerry McBride, Sheila Sundquist, Dennis Lavery, Nancy Bendix, Kathy Mortenson and Marilyn McGhee.

Zane Miller, advisor and sponsor to the group, expects the group to be quite active next year as an organization.

Officers of the National Honor society for the current year are President, Bob Stoutenour, vice president, Dave

Gibson, secretary, Bob DeVoursney, and treasurer, Connie Meredith.

Members of the 1958-1959 National Honor society as seniors elected last year are: Tom Barton, Norman Behn, Tom Cripps, Florence Dix, Joan Gerza, Janis Henkle, Jerry Hosier, Al Jaklich, Eric Johanson, Bill Johnson, Merle Martin, Deanna Matyas, Marion Mawhinnie and Ken Miller.

Other senior members of the society elected last year include Glen Proctor, Tom Schriber, Richard Schereubel, Mehlin Smith, Bob Stellwagen, Vivian Ussardo, Reed Williams and Phil Yurtis.

New Store

Pharmacy Locates in Frankfort

A drug store is to be opened at Frankfort on or about June 22. It is to be located on Ash street, by the bowling alley. The proprietor, Robert Dean, has been employed by the Flossmoor Pharmacy, at Flossmoor, since he was graduated from the Butler college of pharmacy at Indianapolis 12 years ago.

Dean attended grade and high school at Harvey so he has first hand information of the area. He is married and the couple have three daughters ranging in age from one and a half to four and a half. The Deans now reside at Chicago Heights but prior to buying a home there they lived in Mokena for two years. The couple came to Mokena after Mr. Dean had finished his service in the army.

The building in which the store will be located is owned by Arthur C. Bauch. Dean plans to maintain store hours from 9 a.m. to 9 p.m. Mrs. Dean appeared before the

Frankfort village board Monday night to ask for limited parking in front of the store during the hours it is open.

The board agreed to work out a plan to limit parking in the vicinity of the store.

The board hopes to be able to take over the railroad property now under lease to the Lions club and use it for off street parking. The Lions are ready to turn the lease over to the village if the latter will prepare a space in the park that can be flooded for ice skating in the winter.

A resolution to the effect that the village would make such arrangements was adopted by the board. The Lions club has spent approximately \$900 on the ice skating facilities. The property is owned by the Michigan Central railroad.

The board discussed some of the provisions of the proposed subdivision ordinance but it was not put up for passage this week nor did the

board pass the proposed new zoning code. Action may be taken on these measures, it was indicated, at the next meeting.

If the McIntosh subdivision north of U. S. 30 is opened before the village sewer system is completed an oxidation pond will be used to treat sewage.

Robert Hamilton, engineer in charge of the sewer, reported that final plans are about 65% complete. There are several problems to be worked out and some easements must be acquired. It is expected the board can take bids on the sewers and sewage treatment plant in the late summer.

The appropriation ordinance for the current fiscal year, May 1, 1959 to April 30, 1960, was discussed and it is expected that it will be drawn up in time for adoption at the next board meeting. The auditors still have the village books so there were no figures available for comparison Monday night.

Tinley, Orland Taxes

New Rates for Towns Show Gains

(CNS) Tax bills for Tinley Park real estate and personal property owners will be 7.7 per cent higher this year. In one area of Orland Park the increase is 6.9 percent, and 1.8 per cent in another.

Rates for Orland Park township taxpayers were announced by County Clerk Edward J. Barrett. Here's a comparison of the 1958 rates per \$100 as-

essed valuation and the 1957 rates used for collection of local taxes last year.

Taxing District	1957	1958
Orland Park in SD		
135 and HSD 230	\$4.662	\$4.748
Orland Park in SD		
136, HSD 230	4.158	4.446
Tinley Park in SD		
140, HSD 230	4.424	4.768

A breakdown of local government tax rates shows the

increase in Tinley Park mainly reflects another rise in school operating costs and more spending by the village government.

In Orland Park, the rate for the village government is down, which also is true for one elementary school district but not the other.

Contributing to the increase (Continued to page 5)

MARCH IN MEMORIAL DAY parade at Mokena. The young musicians shown here are members of the Mokena grade school band. The parade moved along Wolf road and all three Mokena cemeteries were visited, St. Mary's, Pioneer and St. John. Three volleys were fired in each cemetery

in honor of the war dead. Besides the grade school band, the Drum and Bugle corps of the Mokena VFW post marched as did a platoon from the NIKE base at Orland Park, Boy Scouts, Girl Scouts and various organizations, including veterans groups. (Marvin Smith photo)

CLIMAX TO DAD'S DAY at Orchard Hill kindergarten was the appearance of the Stockyards Kiltie Band that piped the fathers and pupils about the farm site of the school at 167th and Cicero. In this picture is Pipe Major Sims. The kindergarten will have graduation exercises June 11 in Central school auditorium at Tinley Park. A play will be given as a part of the program, dealing with the activities

Trucks to Pick Up Junk, Debris During Clean-Up Week June 7-13

By EVELYN VAN HORN
Sycamore 8-8921

Mayor Nally has proclaimed June 7 to 13 as Clean Up Week and the J. E. Merriam Company is placing several trucks at the disposal of the city to pick up all junk and other debris. The residents are requested to pile up junk at the side of the road at their homes Saturday morning, June 13, when it will be picked up by the truck. Those having drain age ditches bordering their property, are asked to clean the ditch of all debris and place it in their junk pile for pick up.

City Council News

At the regular meeting of the city council held May 25, Alderman Gaertner reported that the resolution introduced in regard to arterial streets by him at a previous meeting, is being reviewed by the department of public buildings, Chicago. After review of the named arterial streets that department will submit the resolution to Springfield. The street repair work comes under the motor fuel tax allotments and monies for this work will be derived from this source.

A program of mass inoculation for dogs has been set for Saturday, June 20 from 2 to 5 p.m. Robert P. Lawrence, D.V.M., of Homewood will be in charge. Place will be announced later.

Thomas J. Behrle was appointed Civil Defense director for the municipality.

Zoning Board of Appeals

The Zoning Board of Appeals held their first organizational meeting Tuesday evening, May 26 at the city hall. Chairman is Lawrence Simon and members are Charles White, William Biddle, Alvin Gran, LeRoy Busa, Eugene Fluder, Edward Scharbach. Each member will read the Zoning Ordinance which will be discussed with the city attorney, Leland Rayson.

Firemen's Dance

The Fireman's club of the local fire department has set June 20 as the date of their second annual fund raising dance. The members of the dance committee, James Carroll, Sam Cooley and Lee Broadstone have a wonderful evening of entertainment planned.

The proceeds will be turned over to the fire department for the purchase of needed equipment.

Chief Frank Daniels, and the firemen are grateful to the community and the Firemen's club for their support of the department, enabling it to grow in step with the expanding city.

Men This Is For You!

There are a great many of you athletic looking men in our little City. Get out that old ball, put your arm muscles in shape and join the Country Club Hills bowling league. We are striving for 12 teams for a winter league. For more information call Robert Otto, Sy 8-5583 or Orby Armstrong, Sy 8-5599.

The Chicago Motor Club advises motorists to remember that outdoor activity increases in warm weather. This presents many distractions for the driver when he should be keeping his eye on the road and the traffic ahead.

Yellow lines on highways are placed there for the drivers

protection, says the Chicago Motor Club. Single yellow lines mean no passing when they are in your lane. A double yellow line indicates a no-passing zone for drivers on both sides of the highway. Never cross a yellow line; it always means the road ahead is a no passing zone.

Bremen Home Bureau Women Learn About Family Financial Records

The May meeting of the Bremen Home Bureau was held Thursday evening, the 28th, at the home of Mrs. Goodrich Shantz. Co-hostesses were Mrs. James Rizzuti and Mrs. Richard Seidel.

Every wife should know about family finances, the more you know and understand the family financial situation, the better partner you are, as stated by Mrs. Leroy Baumen.

Your family records and where they are kept was stressed by Mrs. William Smith. Each family should record the location of the family financial records in a folder for use as needed, it was stated.

Guests for the evening were Mrs. Bernard Ackerson, Mrs. Ernest Gunggoll, Mrs. William Butchart, and Mrs. Stanley Kelma.

A new member, Mrs. Edward Godette, joined the Home Bureau.

Mrs. Goodrich Shantz attended the Advisory Council meeting, in Chicago Monday, May 25 to make plans for the 1960-61 program.

The June meeting of the Bureau will be held Thursday evening, June 25. Each member is asked to bring a guest.

Mrs. Stanley Sterkowitz of 6637 Ravinia drive will be the hostess.

The lesson will be given by Home Advisor, Mrs. Claradehl Upham on "Your Social Security."

Carol Knieriem Feted at Bridal Shower Sunday

Miss Carol Knieriem of Frankfort was the honored guest at a surprise miscellaneous bridal shower held Sunday evening in the home of Mr and Mrs. Wilbert Klier of Frankfort.

The hostesses were Miss Myrtle Klier, Miss Lenore Bormet, Miss Norma Knieriem, Miss Yvonne Hossbach, Mrs. Wilbur Hossbach, Mrs. Norman Hossbach and Mrs. Howard Seeman.

The bride elect received many lovely gifts from the 45 guests who were present at the shower. She was also presented with a corsage.

Games were played and prizes awarded, with duplicates being presented to the guest of honor.

The decorations were in the bride to be's chosen colors of pink, blue and yellow. A buffet luncheon was served.

Miss Knieriem, who is the daughter of Mr. and Mrs. William Knieriem, will become the bride of Wayne Hossbach, son of Mr. and Mrs. Henry Hossbach, Frankfort, on June 21.

Bremen Alumna Receives Degree At Grinnell

Marcia Ann Szaton, alumna of Bremen Community High school, will receive a bachelor of arts degree at Grinnell (Iowa) College Sunday, June 7 after receiving a Younker Scholarship for a period of four years.

She is president of Orchesis, modern dance group, and has been a staff member of the college radio station, the Student Iowa State Education Association, and the student art committee.

Miss Szaton, who was graduated as Bremen salutatorian in 1955, is the daughter of Mr. and Mrs. John Szaton, 17710 67th Court, Tinley Park. Mrs. Szaton is a Grinnell graduate.

St. Jude Altar, Rosary Society Holds Dinner

The Altar and Rosary Society of St. Jude's church, New Lenox, held its annual May banquet at the Woodruff hotel on May 26. About 45 members and guests attended.

After dinner, Fr. Faustine OFM, Spiritual director for the group, installed the newly elected officers for the coming year. They are: Dolores O'Neill, president; Mary Lacey, vice president; Betty Stockley, secretary; Gertrude Batson, treasurer. The new officers each received a corsage while the retiring officers were presented with a gift.

Mrs. O'Neill introduced the committee chairmen for the coming year: Program, Kathy Shields; publicity, Leona Dickman; membership, Eileen Nolan; hostess, Cele Riley; Sick and vigil, Alice Archibald.

Mrs. Harry Griffin, guest soloist, sang several selections including "Smilin' Thru", "The Rosary", "False Prophet", and "Lovely to Look At." She was accompanied at the piano by Inez Gougar. Community singing followed and prizes were awarded to: Babe Brent, Irene Cherven, Leona Dickman, Lois Flanagan, Elaine Griffin, Inez Gougar, Lillian Huttenhoff, Jo Messenger, Dorothy Schubert, Mary Seeley, Kathy Shields and Dolores Wysock.

The committee in charge of the affair was: Marge Carnahan, June Clemens, Leona Dickman, Eileen Nolan, Rosemary Romeo and Mary Seeley. The next regular monthly meeting of the Society will be held June 23.

Couple to Wed In Frankfort Sunday June 21

The betrothal and forthcoming marriage of Miss Joyce Scheer to William Hecht, son of Wilbert Hecht, and the late Mrs. Hecht of McHenry, Ill., is announced by her parents, Mr. and Mrs. Harold Scheer of Monee.

The ceremony will take place at 7:30 p.m. on Sunday, June 21, in the United Church of Christ, Frankfort, with the Rev. Erich E. Bizer officiating.

No invitations have been issued, but all relatives and friends are invited to attend both the wedding and reception, to be held in the church parlors immediately following the ceremony.

Miss Scheer is a graduate of Peotone High school and attended Elmhurst college. She is now an instructor of organ for Lyon-Healy in Joliet.

Mr. Hecht is a graduate of McHenry High school, served in the armed forces and is presently employed by the Illinois State Police.

This is the time of year, warns the Chicago Motor Club, when the dangerous situation of a fast moving automobile encountering a slow moving farm vehicle is prevalent. Drivers are cautioned to reduce speed on hills and curves where sight distance is restricted.

AT SANDBURG PROM—The annual party staged by the Junior class at Carl Sandburg high school for the seniors was held at Southmoor Country club last Friday night and was voted a big success. Among the dancers were the officers of the Junior class, who were responsible for the affair, and their dates. Beginning at the left the

first couple is Tony LaVine, treasurer, and Joyce Delph; next is Judi Bendix and Donald Arnold, class president; then Rosemary Miller and Richard Kasper, secretary and then the only girl officer, Kathy Apple, vice-president, and Dennis Graninger. (Marvin Smith photo)

Woman's Auxiliary Of St. Boniface Elects Officers

New officers of the Woman's Auxiliary of St. Boniface Episcopal church have been formally installed.

The meeting was held at the home of Mrs. Margaret Lawrence and Father John F. Plummer, priest in charge of the new mission, conducted the official installation. Mrs. Glenn M. Tindall, past president, presented the new officers to Father Plummer. They are Mrs. Elmer Knudsen, president; Mrs. Joseph Schaff, vice president, Mrs. Leonard Couch treasurer and Mrs. Harry Weil, secretary.

The last meeting of the Woman's Auxiliary was held June 2 at Mrs. Knudsen's home. Any women interested in becoming a member of this organization is invited to attend the meetings. For more information call KELlogg 2-2563.

Fri. June 5—Operetta, "The Obliging Clerk," Central school, Tinley Park, by Cherub and Junior choirs. Tinley Park Methodist church.

Wed. June 10—Father Son banquet Zion Lutheran church Tinley Park, by Ladies Aid.

Fri. June 12 — Movie, "A Cry in the Night", Orland Park Church of the Nazarene, sponsored by World Vision, 7:30 p.m.

Sat. June 13—Dance, card party, VFW hall, Mokena, by Mokena Band Boosters.

Thurs. June 25 — Spaghetti supper, Immanuel Lutheran church, Mokena, by Ladies Aid. Serving at 5, 6 and 7 p.m.

The Chicago Motor Club reminds motorists that basic fundamentals are vital to traffic safety. And one of the most basic of all driving principles is the rule of staying on the right side of the road.

Mokena

Community Holds Memorial Day Rites at Cemeteries, VFW Hall

A good program was presented at the Memorial Day service in the VFW hall in Mokena at 10 a.m., by the members of the William Martin VFW post with Commander Clarence Zugenbuehler in charge.

The colors were posted by the post's Color Guard followed by the invocation given by the Rev. Cecil Koop, pastor of St. Mary's Catholic church.

The Rev. William Krutza, pastor of the Parkview Baptist church of Mokena delivered the address taking as his topic, Memorials. He cited the verse in Joshua 4:6 and 7 where Joshua placed stones in a pile and said:

"That this may be a sign among you that when your children ask their fathers, in time to come, saying: 'What mean you by these stones?' You shall answer: 'That waters of Jordan were cut off.' These stones shall be a Memorial unto the children of Israel forever."

Dwelling upon this Memorial for a few minutes, the Rev. Krutza went to the next Memorial, that of God's Grace, the Cross, and the next Memorial, that of living souls, explaining how people, such as we today, are remembering to honor good and noble deeds and lives by good and noble living.

Elmer Tepper, post chaplain read the roll call of soldiers buried in our local cemeteries, including that of Charles Denny, a Revolutionary war soldier, also those who gave their lives in the Civil War, World Wars I and II, and the later wars.

The pupils from the public school and those from St. Mary's parochial school, sang a group of selections.

After a few remarks by Commander Zugenbuehler, the Rev. Fr. Koop closed with the benediction, and all adjourned outdoors where the line of march was formed on Wolf rd.

ceived this week 300 new books from the state library, and the books were on the shelves at Mokena for the first time last evening. Hours at the library are each Wednesday from 7:30 to 9 p.m. There are many children as well as adults who use the library, which is note worthy.

Dr. George Lingerich has returned from Hines hospital where he was a heart patient for several weeks and is feeling improved, altho not able as yet to care for office work or calls.

The Women's guild and Friendly circle of St. John's church will meet jointly Friday June 12 in the Fellowship hall of the church to celebrate their annual birthday party. A potluck supper will be enjoyed at 7 p.m.

Mr. and Mrs. Charles Teague attended the funeral May 27 in Oak Lawn, of her sister, Mrs. Jennie Post. Also attending were Mr. and Mrs. Lyman F. Teague.

Mr. and Mrs. Robert Sulzberger moved from the lower apartment of the Rink building on Front st., to Matteson Monday. Mrs. Sheehan and family of Dolton moved into the apartment Monday also. Mr. and Mrs. Robert Christman, who occupied the upper apartment, have moved to her parents home in Orland Park.

Jerry Spiess, 7 year old son of Mr. and Mrs. Gordon Spiess, while watching carpenters who are building a house next to the Spiess home on First st. slipped and fell on a rather large twig, which punctured his abdomen. He was taken to the Hedges clinic for treatment.

Readers Offer Services for Scouting Program

Readers of the Tinley Park Times have been responsible for obtaining three scout leaders in Tinley Park.

In two recent issues of the newspaper, pleas for scout leaders brought instant response. A scout leader and assistant volunteered to head a new troop.

A third plea in the May 7 issue, also brought a response from a man willing to serve as scout master in troop 255.

The troop and committee have expressed their appreciation to the Tinley Park Times for their aid in obtaining scout leaders.

The Chicago Motor Club points out that it really does not cost much to be a safe vacation driver. Observe speed regulations, be courteous to others, allow plenty of space between cars, obey traffic signs and signals, and never pass on hills or curves. Following these simple precau-

tions will insure you a safe and pleasant motoring vacation.

Orland Park Committeewomen To be Guests of Governor's Wife

By MRS. LILLIAN KNOX
Fieldbrook 9-0241

Mrs. William G. Stratton, wife of Gov. Stratton, has invited all Cook county committeewomen to be her guests at a 12:30 p.m. luncheon on Wednesday, June 3 in the executive mansion.

The 13th annual luncheon of the Republican Country Towns Woman's organization will be held in the Palmer House in Chicago Sept. 18th. Senator Coldwater will be the honored guest. Reservations may be made with Mrs. Karl Ekberg.

Miss Virginia Cosentino, 16 year old daughter of Mr. and Mrs. Rosario Cosentino, who is a student at Mount Assisi academy, in Lemont, submitted an essay, "The Parent's Job" to the Voice of Youth, Chicago Sunday Tribune, and selected for printing in last Sunday's issue.

She has received an invitation for luncheon June 13 at the Palmer House, which the Tribune has extended to all youths who have submitted essays which have been accepted for printing.

The Cancer dressing group will meet in Wesley hall on Wednesday, June 10 at 10:30 a.m. Bring a sandwich and hostesses will serve coffee and dessert.

Mrs. Harry Phil, chairman, invites any lady in the community to join the group, bring a sandwich and have an enjoyable day preparing the dressings. You don't have to be a seamstress to prepare these dressings and if you cannot come in the morning, come in the afternoon.

A reminder: the bake and rummage sales being held on Friday, June 5, at the home of Mrs. Karl Ekberg on Beacon ave., starting at 9 a.m. until 4 p.m. As Mrs. Ekberg is chairman of the Woman's club for the Salvation Army Doughnut Tag Day, the proceeds of the sales will be divided with the Army and CARE.

The Caribbean area, the last nation of the study series on the "Concerns of North American Neighbors" was given by Mrs. Clarence Kelsey, when the Esther Circle of the Methodist WSCS met Thursday morning, May 28 in Wesley hall.

The other nations included in the study were "Our Neighborhood, People, Places, and Problems" read by Mrs. John VonBerschof, "Alaska", given

by Mrs. Frank Buck, "Canada," given by Mrs. Harry Anderson, "The United States," given by Mrs. Stewart Loebe, "Mexico" and "Hawaii" given by Mrs. Fred Blackstone.

The group met at 10:30 and lunch was served at noon, with Mrs. Forrest Miller and Mrs. Sherman Knox, hostesses. The business meeting followed the program.

The June meeting will be held at the home of Mrs. Lester Sayers, a pot-luck luncheon to be served outdoors on the spacious lawn, weather permitting.

The WSCS will meet in the church parlors Thursday, June 11, 8 p.m. for their quarterly meeting. All circle members are expected to attend. Election of officers will be held followed by installation. The Rev. Robert L. Plastow will officiate.

Mrs. John Van Berschof will give the conclusion of the study "Concerns of a Continent." The program will also include movies on Hawaii which Mr. and Mrs. Fred Blackstone had taken while on their vacation.

Refreshments will be served by the Ruth circle.

Norman J. Smith of 159th st. and 100th ave., Orland Park, was among the 171 lawyers who were admitted to the Supreme Court Thursday, May 21. He has been a resident in this area for the past six years.

Unit 526, the American Legion Auxiliary will meet in the Legion hall Friday, June 12 at 8 p.m. Mrs. Gertrude Mills, 8th district director will be guest of honor. Election of officers will take place. Refreshments will follow adjournment. Members are urged to attend.

Mrs. Ray Myrick and daughter Doris and sister Miss Lillie Matteen motored to Saint Charles and Batavia to visit their sister, Mrs. Marie Koubenek, May 29. On Saturday, Mrs. Koubenek visited her sisters, Mrs. Myrick and Miss Matteen in Orland Park.

On Monday night, May 25, 73 7th and 8th graders, as well as teachers, Mr. Livingston, Mr. Callahan, Superintendent Norbert Jerling, and their wives, enjoyed a turkey dinner at MacKenzie's restaurant. The girls were pretty in

their new party dresses and the boys handsome in their new suits.

After the dinner, dancing was enjoyed in the school gym which was beautifully decorated with a maypole in the center and loads of apple blossoms.

A four piece dance orchestra, led by Terry McBurney, provided plenty of lively music. Between dances, the boys and girls enjoyed refreshments.

PTA room mothers, Mmes. Loreen Kettler, chairman, Kay Nelson, Beverly Anderson and Dorothy Benson, worked for weeks to make this dinner dance a big event long to be remembered.

Van E. Enblom, son of Mr. and Mrs. Eric F. Enblom of 14332 Oakley ave., was promoted to Marine Corporal on May 15, while serving as a hydraulic technician with Marine Fighter Squadron 251, a unit of the 3rd Marine Aircraft wing at the El Toro Marine corp air station, Santa Ana, Calif.

Mr. and Mrs. Stanley Cooper have sold their 160 acre farm on 153rd st. to George Brensterboer. The Coopers in turn have bought a farm in Manhattan where they will move by the middle of this month. The Cooper house is about 108 years old and has been, up to now, continuously in the Cooper family.

EDDIE the EDUCATOR says

Illinois Education Association

Lincolnwood Community Club Plans Picnic in Van Horn Woods

By DELORES ANDERSON
New Lenox 3651

The annual Schmulh school Community club end of school picnic, will be held Sunday, June 7 at 12 o'clock noon in Van Horn woods. In case of rain or cold weather, the picnic will be held the following Sunday. Those attending are asked to bring a covered dish and their own table service.

Mr. and Mrs. Marcel Halik entertained Thursday night at a graduation party honoring their daughter Millicent Ann, following the graduation exercises at the Lincoln-Way High school. Millicent received her diploma with the 8th grade class from Schmulh school.

Fruit punch, cake and ice cream were served later in the evening, and Millicent received many nice gifts.

Guests were Mr. and Mrs. John Glade and daughter Jan of Manhattan; Mrs. Marie Novak, of New Lenox; Mr. and Mrs. Paul Korsgaard, Mr. and Mrs. Dan Owen and Judy; and Mr. and Mrs. Ronald Crisman and family.

Mr. and Mrs. Donald Haley of Manhattan, Mr. and Mrs. Raymond Rafter of Joliet, and Mr. and Mrs. Raymond Baker and their families, visited their last week with their sister, Sister Mary Kenneth at the St. Francis Convent in Mishawaka, Ind.

John Novak of Cicero spent the weekend here with his cousins, Mr. and Mrs. Marcel Halik and family.

Mr. and Mrs. Michael Orey entertained Monday, June 1 at

a party and picnic supper, honoring their son, Stephen's third birthday. A decorated birthday cake, centered the supper table, and Stephen received many nice gifts from his guests, who were Karla and Cathy Baker, Dennis and Susan Malloy, J. R. White and Mark and Christine Mursky.

Mr. and Mrs. Robert Brown and children Pamela and Brenda of Joliet, have moved into their newly purchased home here, the former Ralph Wright place.

Mr. and Mrs. Raymond Baker and children spent the past weekend in Muskegon, Mich. with his parents, Mr. and Mrs. Ray Baker Sr., where they visited with his mother at the hospital. She had recently undergone surgery.

4-H NEWS

Rich-Bremen
A talk by president Edwin Gierke on how to trim dairy animals was given at the May 22 meeting.

Opened by the president by reciting the Pledge of Allegiance to the Flag, it closed with the 4H pledge.

Roll call was followed by secretary and treasurers reports.

Bills from the picnic at Camp Waw Wa Na were settled.

Refreshments were served by Richard and Henry Bohman. Balloon volley ball was played.

The Chicago Motor Club says that a good question for drivers always to keep in mind is "Can I stop in time?" Being able to stop in time can help you to avoid the hazards that exist in today's traffic.

Trinity School Graduates 16 Sunday, June 7

On Sunday June 7, at 2:30 p.m. the Trinity Lutheran school, 159th and Oak Park av. Tinley Park, will graduate 16 students.

The opening and the closing liturgical service will be conducted by the Rev. Carl Hoeh. The Rev. Martin Frank, B. D. will be the guest speaker.

The numbers to be given by the graduates are: Salutatory, Judith Meier and class motto, "Climb, Though the Path be Rugged," Lawrence Bettenhausen.

Magical numbers to be presented are songs by school pupils, class song by the graduates, three-part song by the girl graduates, and a poem by Adolf Fisler.

The graduating class of 1959 will be presented by the school principal, T. J. Wichmann. Awarding of diplomas will be made by the school board chairman, Norman Bettenhausen.

The response will be by Marilyn Devalk, class president, and the valedictory by Kathryn Flett. The class flowers are the rose and carnation, and class colors, purple and white.

The graduates are: Marilyn Devalk, Lynn Marlene Siemsen, Judith Kay Meier, Bonita Gayle Rauscher, Nancy JoAnn Robertson, Kathryn Merle Flett, Adolf Fisler, Betty Lou Meyer, Rosalyn Ann DeValk, Vera Schilling, Dawn Beth Wolfe, Sharon Brenda Wolfe, Lawrence M. Bettenhausen, Mark Krueger, Lonnie Siebrandt and Richard Joel Seese.

The faculty is composed of the Rev. Hoeh, pastor, Wichmann, principal, Carl J. Moser, Mrs. Henry Meier, and Mrs. Kenneth Kohn.

School board members besides the chairman Bettenhausen are Herman A. Leto and Elwood Wilkinson.

Suggests Way to Increase Staff At State Mental Institutions

One way to increase the staff at the State mental hospitals and schools is being suggested by an independent statewide mental health organization.

Alex Elson, chairman of the Civic committee for mental health information suggested that the \$11 million now budgeted for the construction of an institution for the mentally retarded in Southern Illinois be used to increase the staff at the existing institutions and that the funds be included in the \$150 million bond issue proposed

by the governor.

Elson pointed out that while the construction of the building would be delayed at least two years and would depend on the approval of the bond referendum, the staff shortage now existing in all of our state mental institutions could be relieved to the extent of an addition of some 1,000 employees. Some money however should be retained for acquiring land and making plans for the new institution.

Elson stated, "We find the proposed total appropriation for the Dept. of Public Welfare completely inadequate to meet the needs of the 50,000 men-

tally ill and retarded in state institutions, but to be constructive, we are making this specific suggestion as a way to improve care and treatment now. As we continue to study the appropriations, we shall have additional suggestions to make."

We are particularly concerned with the necessity of increasing staff. More staff will provide better care and will have a bearing on the rate of discharge, thereby alleviating overcrowding and reducing the number on the waiting lists.

The 1959 - 1961 proposed budget makes provision for the addition of only 756 employees with most of these being allocated for the new Illinois State Psychiatric Institute and for the expansion of Tinley Park State hospital.

Too few employees will be available for the 12 other institutions for the mentally ill and retarded unless means are found either within the present proposed budget or thru an expanded one for a significant increase in the patient care personnel."

The Civic committee for Mental Health Information is an organization composed of some 30 other organizations from throughout the state who are interested in mental health legislation. It is a completely independent body with a consultant panel of 16 professionals from the field.

NEW RATES—

(Continued from page 1) in tax bills are higher rates for the Cook county government, the Forest Preserve Dis-

trict, and the Suburban Tuberculosis Sanitarium.

On the encouraging side for taxpayers, the rate for the Metropolitan Sanitary District is down while there is no change in the rate of the South Cook County Mosquito Abatement District.

But a drop in the township rate was more than offset by the levy for a township general assistance fund. The township rate is down, from .058 to .048. General assistance is up from "nothing" to .026. The township road and bridge rate is down, from .110 to .102.

Here's a comparison of the 1958 and 1957 rates for taxing bodies receiving shares of the tax dollars collected in Orland township:

Government Unit	1957	1958
County	\$0.264	\$0.282
Forest Pres. Dist.	.038	.048
Suburban TB San.	.060	.062

Galls in Trees Present Problem

By JAMES FIZZELL
Assistant Farm Adviser
The presence of unusual growths on twigs and leaves often is the result of the work of gall insects and mites. Galls come in all sizes and shapes, some large, some small, each kind being characteristic of a particular type of creature.

The habits of gall-makers are as varied as the galls they produce. In general, galls provide a home for these creatures where they may feed, develop, and reproduce; undisturbed and protected from outside enemies.

Cynipid galls on oaks are produced by small wasps that lay an egg on a developing bud. The egg hatches into a small, legless grub which causes the gall to develop. When the insect is completely developed, it deserts the gall.

The numerous colorful, wartlike galls on the upper side of maple leaves are maple bladder galls. These galls, stimulated by microscopic mites, are very common in this area. The mites overwinter under the bud scales. When growth begins in spring, the mites move to the new leaves to produce new galls.

The damage caused by galls is difficult to estimate. Damage is usually localized, and with few exceptions, is not considered serious enough to permanently damage a tree. Occasionally, maple bladder galls develop in such numbers that the leaves become distorted and unsightly.

The control of galls is a matter of prevention rather than cure. Galls are seldom noticed until the small animal inside is well protected from any spray materials which might be used. The control measures have been worked out for only a few of the many kinds of galls. Maple bladder galls can be prevented by spraying the trees with Malathion just before the buds open in spring. This kills the mites before they can form galls. Likewise, elm cockcomb and hockberry leaf galls can be prevented by spraying with Lindane before the leaves expand.

New systemic insecticides now under trial offer promise of complete control of all producing creatures.

One way to protect yourself from the actions of other drivers, says the Chicago Motor Club, is to let them know what you intend to do. When you plan to make a turn, give a clear signal of your intention to do so.

Tinley Park Church Softball Circuit Will Open Play Monday

The Tinley Park Church softball league will open on Monday evening, June 8, at 7 p.m. at Memorial Park with three games slated.

The Nazarenes will meet St. George Holy Name; Methodists meet St. George Knights and the Reformed will play Zion Lutheran.

At a recent meeting, Bert Jeveret was elected president of the softball circuit. The Rev. Dallas D. Mucci was continued as vice president. Wesley Landau was newly elected secretary. John Ficker was retained as treasurer.

The league schedule:
June 3: *Nazarene vs. St. George Holy Name; *Methodist

vs. St. George Knights; *Reformed vs. Zion Lutheran.
June 15: Methodist vs. *St. George Holy Name; Reformed vs. *St. George Knights; Nazarene vs. *Zion Lutheran.

June 22: *Methodist vs. Zion Lutheran; *Nazarene vs. Reformed; *St. George Knights vs. St. George Holy Name; Reformed; Nazarene vs. *St. George Knights; *St. George Holy Name vs. Zion Lutheran.

July 6: St. George Knights vs. *Zion Lutheran; *Methodist vs. Nazarene; *St. George Holy Name vs. Reformed.

July 13: *Zion Lutheran vs. Reformed; *St. George Knights vs. Methodist; *St. George Holy Name vs. Nazarene.

July 20: Zion Lutheran vs. *Nazarene; St. Geo. Knights vs. *Reformed; St. George Holy Name vs. *Methodist.

July 27: *Reformed vs. Nazarene; *Zion Lutheran versus Methodist; *St. George Holy Name vs. St. George Knights. Aug. 3: St. George Knights vs. *Nazarene; Reformed vs. *Methodist; *Zion Lutheran vs. St. George Holy Name.

Aug. 10: *Reformed vs. St. George Holy Name; *Nazarene vs. Methodist; Zion Lutheran vs. *St. George Knights.

Aug. 17: All-Star game.

*Denotes home team.
First game listed on diamond one; 2nd game listed on diamond two; third game, diamond three.

Browsing Through The Cold Stove League

By DEAN DALLAS, Sports Editor

Baseball was a rather interesting snarl this year in the SWS. Our prediction, Oak Lawn, finished at the top, but had to share honors with Rich and Carl Sandburg. Just one game behind was Bremen.

A mystery was the collapse of the Evergreen Park team. Carl Sandburg proved to be the most exciting team in the conference. They were not considered any sort of contender at the season's beginning, but beat Bremen, a title favorite, in the season's finale, 3-1.

Rich won with a solid defense. The Rockets had many games handed to them by the fielding ineptness of the opponent. Rich never lost a game due to errors.

Oak Lawn had spirit and balance for its main threat. It was only good for a tie.

Rich and Oak Lawn have tied with three major championships for the 1958-59 school year.

The Rockets won football, basketball, and tied for baseball. Oak Lawn won the wrestling, track, and tied with Rich and Sandburg for the baseball crown.

Sandburg won two conference firsts. The Eagles took the golf diadem for its fourth consecutive year and then tied in baseball.

Bremen ran second and third to all the winners in most every sport. Bremen was second or third in every sport except golf. They did not enter a team in the golf competition.

One of the major problems in the SW Suburban league is the inequality in enrollment in the conference schools. Some of the SWS small schools would be extremely difficult to beat if they were placed in a conference with teams of similar enrollment. Lincoln-Way with an enrollment of about 700 must beat Oak Lawn with an enrollment of near 1800.

There are no cries coming from Lincoln-Way, but many die-hards from the Lincoln-Way ought to recognize that the schools with similar enrollment—such as Lemont, etc., are no match for their lads.

If Bremen doesn't win in about every sport—then Bremen is second or third. One of the reasons is obvious—they have far more boys than Lincoln-Way has students.

The SWS will probably even itself out as the next branch from Bremen will soon be started—not this year — near Tinley Park. Rich Township is going to be split—this has already been voted. Sandburg will not get much bigger when a split will occur. This will bring a more balanced conference.

There will come a day when some sort of enrollment equality will more or less balance itself out. However, until that time the less than 300 boys at Lincoln-Way have done rather well and will do much better next year.

Backwood Trails

By ART SCHUMANN

By now, everyone is aware that the battle over the Des Plaines Wildlife area is over. Sportsmen have succeeded in maintaining one of the few remaining natural wildlife areas in this part of Illinois. Few people will ever know how such men as Bob Cary of the Chicago Daily News, Stan Eckdahl of New Lenox, Floyd Zabell of Wilmington, and George Kijowski of Fairmont have devoted themselves to maintaining this area for sportsmen.

Only thru the efforts of such men as Senator Paul Douglas, and our representatives, Louis Bottino and Francis Loughran could the fight be carried to where the voices could be heard. Northern Zone sportsmen's clubs and Fairmont's Isaac Walton league united in a combined effort to help this project succeed.

Never before, in the recollection of this writer have sportsmen joined in such a determined effort to win a cause. There was much more at stake in Illinois than the DesPlaines Wildlife area. This fight was to determine, once and for all, if public hunting and fishing would exist in the future in Illinois on only a pay as you go basis or if it were to remain free.

It is well that the sportsmen's voices were heard. Feelings ran high, that if the area were lost there would be no need to buy hunting or fishing licenses in our state. Why buy them at all? In order to use them it would be necessary to travel to southern Illinois in order to get good public hunting and fishing areas, there being so few in northern Illinois.

Many sportsmen expressed the opinion that it would have been better to buy non-resident licenses to hunt Wisconsin or Michigan and enjoy the many miles of public hunting lands and fishing waters in those states. In addition, it would be closer than traveling to the southern part of this state.

As 80 per cent of the money brought in from hunting and fishing licenses comes from Northern Illinois, this could have been a severe blow to the Illinois department of conservation, as well as many

businesses who exist in our state, thanks to the sportsmen.

Loss of revenue would have been felt keenly in many quarters. Had Illinois sportsmen lost the DesPlaines area it would have set a precedent with wide implications.

Sportsmen will not be able to relax yet. The Kankakee backwaters, which is part of this area, will be open to the public. Fishing in the area is outstanding. It will be up to the sportsmen again to see that it is properly fished, cared for and developed thru the dept. of conservation. This will be imperative if it is to continue as a good producer.

This backwater area is river water. It will be dependent on clean water all the way from Chicago on down. As industry develops along the shores it will be necessary for city governments, health departments, clean stream committees and industries themselves to see that the water is not polluted to the point of being detrimental to fishing and public use.

There are rivers in Illinois that were good fish producers 20 years ago but today are devoid of fish. We know of two in this immediate area. This must not happen to the Kankakee backwaters.

I have been told that years ago fishermen made large catches right off the bridges in Lockport and Joliet over the deep waterway, yet this is hardly believable today. Did the fishermen catch all the fish? Did fish stop reproducing or did something stop the fish from developing? Is the water coming down the waterway as clean as it was years ago?

When you travel up to Lake Michigan the water looks clean in the lake. What happens to it from Chicago to Joliet? Who is at fault and why? Our waters must be clean in the north end of the state or it will affect all of Illinois.

Commercial fishermen are already complaining downstate. Yes, the sportsmen's battle is not over by a long shot. It will never be over as long as pollution or the threat of it exists. Pollution alone will determine if there will be public fishing in our rivers in the future. And who is responsible for pollution? You guess!

Orland Little League to Open Season Sunday; To Stage Parade

The Orland Park Little league season will open with a parade starting at the Firehouse Sunday at 1 p.m. The parade will continue on to the baseball diamond where a baseball queen will be crowned. This will be part of the opening day ceremonies for the Orland Little league.

The six major league teams in the Little league will open with three games immediately following the parade and opening festivities.

The two farm teams will open their season at the same time.

This is the first "big" effort in Orland to run a full-fledged Little league and it appears to be on the way to a fine opening.

large crowd is expected for opening day and the four games that will commence.

The Semmler Press will carry the results of the Orland Park Little league.

American Indian Center Will Stage Festival at Palos Park

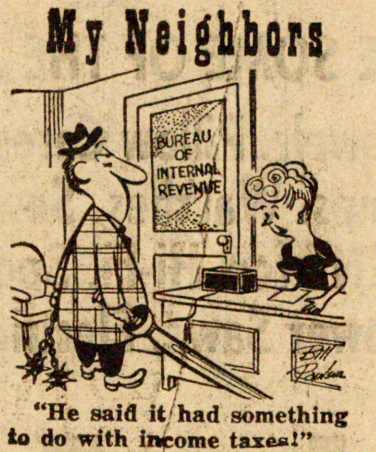

The natural outdoor amphitheater at the Community Center Foundation farm in Palos Park will provide the rustic setting for an Indian Dance Festival and Pageant to be given Saturday, June 13 at 2 p.m. The Palos Park Woman's club is sponsoring this benefit performance for the American Indian center of Chicago.

A narrator will describe the tribal and ceremonial dances which will be performed within a miniature Indian village by the 50 member Indian dance club from the Indian center. This group represents numerous tribes including the Muskogean, Comanche, Navajo, Sioux, Apache, Winnebago and others. They will be dressed in authentic Indian costumes. Close by, Indian girls will display Indian arts and crafts consisting of beadwork, baskets, dolls, silver and leather goods. These products of Indian craftsmen and artists will be for sale. A demonstration of the art of beadwork will be of special interest.

The American Indian center is the focal point for many of the six thousand Indians, representing 80 different tribes, who reside in all areas of Chicagoland. The center is a Red Feather agency devoted to helping our Indian citizens of Chicago adjust to life in a big city. It provides counseling, assists in job placement and affords a social center for newcomers making the transition from reservation life.

The Foundation Farm, where the pageant will be staged, was actually the former camp site of the Potawatomies. They settled there long before 1800 and lived there until many members of the tribe were pushed westward in 1830. The main artery of traffic followed the general pattern of highway 45 and was known as the North South trail. The major East West trail approximated 131st street. The burial ground was located on Southwest highway near the canal and the area near McClary Springs, now a forest preserve, was their hunting ground.

Woman's club members assisting Mrs. Andrew M. deVoursney, over-all chairman for the affair are Mrs. Jerome Vik, Mrs. Victor Leatzow, Mrs. S. Walker Findley, Mrs. Harry R. Likens, Mrs. Glenn L. Proctor, Mrs. L. S. Linderth, Mrs. Jerry Pech, Mrs. Jay K. Lamb, Mrs. Arthur W. Brookstra and Mrs. John R. Vander Veer.

ense chairman, Joseph McCarthy, at Monday's meeting, who added he understood the group making the request had found another location.

The plans are to construct 140 feet by 85 feet track, for child drivers. This most recent sport for children is growing and parents are also very enthusiastic about the program.

Refuse License For Race Track At Tinley Park

The license committee of the Tinley Park village board rejected a request for a permit to operate a midget track on 171st st., west of the dairy because 25 residents of the area protested it would be a nuisance.

The report was made by Lic-

Eagles Win 5 Conference Titles

By winning five of the possible twelve Southwest Suburban conference championships, Carl Sandburg high school athletic teams enjoyed one of the finest years in the history of the school.

The spring sports schedule came to a close on May 28 when the baseball team took a 7-2 victory over Lemont for its 13th victory in 17 games. The Eagle diamond men under the tutelage of Henry Meier shared the SW Suburban crown with a 9-3 mark.

"Bud" Swayne, a sophomore hurler, was Sandburg's most consistent winner in the home stretch with five victories in six games. Rightfielder Allan Moe and third baseman Ron Rasmussen were among the leading hitters, picked for conference honors.

For the fourth straight year Sandburg's golf team took the conference crown and then went on to qualify for State in the first such appearance in the school's history.

Sandburg's track team was one of the real surprises in the conference meet, tying for 2nd only 4 points behind winning Oak Lawn. In dual meets, Coach Bill Adam's thinclads posted a 9-3 mark. The frosh-soph team went undefeated in dual meets and captured the SW Suburban crown by a wide margin.

Last fall Sandburg picked up its first two loop trophies by winning the frosh-soph football crown with an undefeated season under Coach Meier. The cross-country team had little opposition in taking conference honors led by Reed Williams, who ran in the State meet. Coach John Wilson piloted the harriers.

Wilhelmi Seeks First Feature Win of Season

Joliet's No. 1 town driver, Bernie Wilhelmi, will be gunning for his first feature victory of the season Saturday night at the midget auto races in Joliet Memorial Stadium.

Wilhelmi was tops among local drivers in the track point standings last year. But this season he still hasn't captured a main event.

The veteran Joliet pilot scored a near-miss last weekend, finishing a close second behind Bob Tattersall of Streator. It was 1959's first fifty-lap event, and Tattersall's 2nd feature victory.

Also out for their second feature victories Saturday will be Danny Kladis of Chicago, and Bob Hauck, Joliet.

Seeking initial triumphs will be John Lodi of Half Day, Steve Orme of Springfield, Don Chapman of Aurora, Paul Kerber of Elgin and Jolietans Roy Shileds, Aaron Willis and Dick Akins.

On Saturday's program will be four heat races, a handicap, 15 lap semifeature, and 25 lap feature. Time trials start at 7:30 p.m. and the 1st race at 8:30 p.m.

Village Issues 24 Building Permits in May

The 24 building permits issued by the Village of Tinley Park in May, had a total valuation of \$135,119. Eight permits were for new residences, having a valuation of \$108,400. 12 for new garages, valuation \$16,279, an addition to a garage, valuation \$400; alterations to residences, valuation \$5,040; an addition to a business, valuation \$5,000. The village collected \$274 in permit fees.

will be submitted to the board for approval.

The village attorney, Robert Biederman, in presenting the ordinance, stated he has been acting in the capacity of a corporation counsel and it was indicated he would be named as such.

Our Women

Band Boosters Dance to Aid School Band

In order to pay for the uniforms of the Mokena grade school band, the Mokena Band Boosters will sponsor a dance for adults. For those who do not care to dance, card games will be played. The affair will be held in the VFW hall, Wolf road, Mokena, Saturday June 13 starting at 8:30 pm.

A good orchestra will furnish music for polka, ballroom and square dancing.

The band, which has been organized two years, consists of students in the public school from fifth thru eighth grades. They have made wonderful progress under the able direction of Perry Friedman. Their first marching experience was in the Memorial Day parade when they marched to the three Mokena cemeteries to take part in the decorating of the soldiers graves.

In charge of the dance is the Ways and Means committee with Mrs. John Horras, chairman, and Mrs. Joe Alexander, chairman of the ticket committee.

President of the Band Boosters is Mrs. Cecil Hale.

All connected with the organization are hoping for a good attendance at the dance and a good sale of tickets in advance, which will nearly pay for the uniforms, which are green in color decorated with white.

O.K.'s Variation For Gas Station East of Mokena

At the meeting of the Will County Zoning board held last week in the Cooper & Hostert garage in Mokena, approval was given of the request of Cities Service Oil Co. for a variation to erect pump islands, signs and lights for a service station on the north-west corner of route 45 and 191st st., just east of the village of Mokena. Irvin F. Boldebeck of the Cities Service Co. requested the variations, which were granted. There were no objections. This property along the west side of Route 45 from 191st. north, was zoned for business over a year ago.

Mokena Youth Serving Out Fine In County Jail

James Alexander, 19, formerly of Frankfort and now of Mokena, is residing currently in the Will county jail. He is serving out a \$300 fine imposed by Justice of the Peace Herbert Folkers at Frankfort for reckless driving and traveling 95 miles an hour on Wolf road. He was picked up by state police.

Previously Folkers had fined him \$250 for driving 120 miles an hour in a chase by police in Frankfort and also for disorderly conduct. The court remitted \$100 of the fine pending Alexander's good behavior. The youth had also paid a \$10 fine for throwing glass on the highway.

Now the \$100 remitted has been reinstated so when he finishes with serving out the \$300 fine he can start on the other, Judge Folkers said.

A prisoner serving out a fine imposed in a justice of the peace court is credited with \$5 a day. Unless Alexander arranges to pay his fine he will serve 60 days in the \$300 case and then start on the other.

Toastmasters Cover Variety Of Subjects

William Heidrich, topicmaster, questioned members of the New Lenox Toastmasters club 800, on various subjects, which included parents' attitudes towards high school proms, at the meeting May 25.

The main speakers were Elias Brown, on the subject, "Fact and Fancy" which gave a glimpse of transportation ideas for the future; and Stanley Gilmore, whose subject was "A Message from Mr. Dulles", an outline of what is and is not known about cancer today.

Donald Anderson spoke extemporaneously on pressure tanks in home water systems. Master evaluator, John Eden, and his assistants, John Burlingame and Donald Anderson offered criticism and suggestions for the speakers.

Donald H. Anderson presided and Lester Brown served as toastmaster. Guests were Dwight Davidson, Harry Hobbs and Jack Nieman.

Mokena Churches Conduct Vacation Bible Schools

After several years of successful Vacation Bible school sessions the Methodist and St. John's churches of Mokena will again conduct a two-weeks school, June 8 to 19.

A nursery is being added this year to the beginner, primary, junior and teenage departments.

The superintendents of the departments are Mrs. Dorothy Roessner, Mrs. Lois Hanson, Mrs. Louise Hollenbeck, Mrs. Vivian Shoop and Mrs. Amy Engelhardt.

Rev. William J. Riemann is acting as the director. The school will be graded to the theme "Following Jesus," and the studies will be on the early leaders of the Christian church such as Jesus, Peter, Philip, Stephen, Barnabas, Paul, Luke, Timothy, Dorcas and James. The school will be open to all children of the community and the cost will be defrayed by a daily offering by the children.

Immanuel Lutheran church, will also conduct a two week Vacation Bible school from June 8 to 19. The school will be in session 9 to 11:30 a.m. weekdays in the church. A program of Bible study, singing, games and handicraft has been arranged.

Members of the staff include Mrs. Albert Janner, Mrs. Vernon Schuldt, Miss Karen Rohde, Mrs. Richard Pihl, Miss Janice Miller, Mrs. Chester Ebert, Mrs. Harry Yunker, Mrs. Fred Hentsch, Mrs. Robert Gilmore, Mrs. Louis Holm, Mrs. August Bueltmann, and the Rev. A. J. Bueltmann.

Village Plan Objectors to Meet June 11

William J. Weber, who owns a farm at the eastern edge of Mokena and is waging a campaign against adoption of an official plan for the community, has called a meeting for 8 p.m. June 11, in the VFW hall on Wolf road.

A notice to this effect has been directed to signers of a petition Weber is circulating, apparently with a view of presenting it to the Mokena plan commission or the village board or both.

According to the notice of the meeting the signers of the petition are opposed to adoption of any official plan for the village of Mokena and the location of any industry within a mile and a half radius of the village of Mokena.

Weber is a Chicago school teacher. His co-leaders in the move to oppose an official land use plan for Mokena are said to be farm owners who believe they can get more for their land if sold for homesites

Value Lena Kuipers Estate at \$21,104

Mrs. Sena Kuipers, late of Frankfort township, left an estate valued at \$21,104 according to the petition that accompanied her will when it was filed with Probate Clerk E. B. Workman last Friday. She died April 12.

The bulk of the estate, \$17,104 was in personal property with the balance in realty.

Under the terms of the will which was signed July 21, 1956 the estate is to be shared equally by a son and three daughters, William, Everdina and Sadie Kuipers and Louise, Mrs. William Doogan, all of whom have Mokena as a mailing address.

William and Sadie are named as co-executors.

Annual Library Dance Will be Held June 13

The board members of the Tinley Park Community library announce that the annual dance will be held at Saenger ballroom Saturday, June 13. Dancing will be from 9:30 to 12:30 pm. Profits from these annual dances have aided in the construction of the recently dedicated building and future receipts will be placed in the building fund to reduce the mortgage.

Besides the new building, money raised by the board and Friends of the Library has been used to purchase new books.

In order to maintain a community library, members of the board and friends will be calling on residents within the next two weeks, selling tickets to the dance.

Whether or not you are able to attend, purchase of a ticket or tickets for the dance, is a worthwhile investment in the cultural life of a community.

Recently, the classrooms of Mrs. Raleigh Bagby, a teacher at Kirby McIntosh school, Mrs. Dykstra of Bert Fulton school, and Mrs. Johnson of the Zion Lutheran kindergarten, visited the library. They enjoyed seeing the new books and hearing about the workings of a library from the librarian, Miss Olive Pillsbury. Anyone wishing to visit the library during the hours when it is closed, may make arrangements with Mrs. Charles Fredricks, Kellogg 2-4902.

Also, some teenagers and senior scouts have been earning badges by learning to shell books.

In addition to the regular hours, the library is now open from 7 to 9 p.m. on Mondays.

than for industrial sites. The plan commission points out all homes and no industry would in time bankrupt the village and schools.

Nazarene Church To Honor Graduates At Banquet Monday

The Tinley Park Church of the Nazarene will honor its graduates at a banquet to be held at MacKenzie's restaurant, Orland Park, at 7:30 pm. Monday, June 8.

The pastor, Rev. Dallas Mucic, will be master of ceremonies. The program will include a one act skit by the graduates.

Chicken dinner, family style will be served and special citations will be presented to the seven who are graduating from grade and high schools by Miss Jeanette Gustafson.

The graduates are: Tom Cripps, Arthur Maue, Jim Simmons, Don Clark, David Rockrohr, Georgianna Freed, and June Holz.

A courteous act, says the Chicago Motor Club, can make a friend. On the highway, a courteous act can save a life.

MARINE PFC. JAMES H. SPENCER, son of Mr. and Mrs. Gordon P. Spencer of 441 W. 182nd st., Tinley Park, is congratulated by his commanding officer, Col. J. R. Little Jr., upon receiving a letter of commendation May 8. Spencer was cited for his outstanding performance of duty while serving as teletype operator with Marine Aircraft Group 11 during the tenth Provisional Marine brigade operations in Puerto Rico.

Graduation Exercises to be Held At St. Jude's Sunday, June 7

By DELORES ANDERSON
New Lenox 3651

Sunday, June 7 is graduation day for 14 eighth grade students in St. Jude's school. The class will receive Holy Communion in a body at the 9:15 o'clock mass. Graduation exercises will be held in the evening at 8 pm.

Rev. Eric Kahn, O.F.M., will be having a great influence on Russia's own foreign policy.

The "cold war" or geopolitical war which has been going on since the close of World War II, is far from over, but it is apparent that the western world is, as of now, coming along nicely on the western front and some of the important Asian fronts.

We aided the western nations during the years since World War II with both economic and defense funds. The U. S. News & World Report now points out that these nations are now industrially way ahead of their prewar peak and their living standards far above those of Communist countries.

Analysts point out that comparisons between living standards in East Berlin and West Berlin, are the immediate burr under the Communist saddle. The show will be Charles Joyce of Frankfort. The story of this show concerns a mystery thief who annoys the circus, while the actors are performing, but finally is caught.

Four members of the Lincoln-Way high school band, "The Rhythm Mates" will entertain during the show.

Tickets may be obtained thru Mrs. Minuth or from any of her students. There will be a few tickets available at the door.

Prior to the meeting last week of the Deborah Circle of the Methodist church, the members gathered at the home of Mrs. Leon Frey, to see her many antiques. From there the group went to the home of Mrs. Louis Tvorog on Hickory street, where they held their meeting. Mrs. Robert Paelelli gave the devotion, and Mrs. George Preston, president conducted the meeting.

Plans were made to hold or sponsor a bridal pageant at the church on Friday night, June 26.

Mrs. Paul LaVinn and Mrs. Preston assisted the hostess in serving refreshments.

Mr. and Mrs. Leonard Warn ing, Cedar road, entertained Sunday in their home at a family gathering, honoring their son Kurt, who was graduated with the class of '59 from Haven grade school Sunday afternoon.

Approximately 25 twirlers, dancers, and acrobats of the Minuth School of Dance took part in the Memorial Day parades, both here in New Lenox and in Mokena. Instead of the military theme that has been used each year, the group followed the circus theme.

The Good Will Industry truck of Chicago will be in New Lenox to pick up articles Tuesday, June 9. Articles may be left at the Glenn Vally garage at 630 No. Cooper road, or if you wish them picked up at your home, call Joliet 2-5189 by Thursday, June 4.

The Schmulh school Community club annual end of school picnic will be held Sunday, June 7.

The Grace Episcopal church will sponsor the annual summer carnival Saturday, July 18. Mrs. Mary Morris has been appointed general chairman of the affair.

Woman's Club Plans Picnic For June 11

By VIRGINIA SASS
New Lenox 3133

The Woman's club will meet in Haley Park Thursday, June 11 for a potluck picnic dinner at noon. Members are to bring a covered dish, their own table service, a 25c gift for a prize and a 10c gift if the member should bring a child.

Mr. and Mrs. Loren Sass entertained at a buffet supper in their home Sunday evening in honor of their daughter Cheryl who was among the graduates of the Lockport Township high school. Guests were Fred Wheeler and Shelden Wheeler of Waukegan, Mrs. Dale Peterson and Mr. and Mrs. Wayne Peterson and family of Melrose Park, Louis F. Sass, Mr. and Mrs. Glenn Peterson, Rev. and Mrs. Ray Hammer and family, Mr. and Mrs. Charles Sass and family, Miss Cora Hyink, Mr. and Mrs. Fletcher Binion and Frank Liszt, Sr.

Harry Sabin recently received word of the birth of a granddaughter, Kathleen Eleanor, born to Mr. and Mrs. Homer Sabin at West Collingswood, N. J. May 24.

Mr. and Mrs. Clayton Cleveland entertained thirty friends and relatives at a potluck lawn party Memorial Day.

Mr. and Mrs. Glenn Peterson and Mrs. Loren Sass were

the drug store between 9 and 9:30 a.m., and to bring a covered dish to pass and their own table service.

The annual flower show sponsored by the Garden club will be held June 10 and 11 from 2 until 9 p.m. each day at the dining hall on the Camp grounds. Entries must be in by 10:30 a.m. June 10.

"Will your bank help me finance a home?"

We have helped many families along the road to home ownership, with modern mortgage loans repayable on a convenient monthly basis. Monthly payments include both interest and a reduction of the loan. We recommend making as large a down payment as possible. That way, you pay less interest over the years. If you have now reached the point where you have a specific home in mind, come in and let us outline a specific mortgage loan plan suited to your particular financial situation.

Weber Expresses Views on Village Planning

(Editor's Note: We carried a letter in a recent edition that was addressed to William J. Weber, a school teacher and Mokena farm owner. The letter was written by Maurice P. Angland, chairman of the Mokena plan commission.

Weber is the leader of a faction that has been opposing classification of land for industry that is now used for farming with in a mile and a half radius of the village of Mokena.

Mr. Weber is now making public a letter he addressed to Mr. Angland, in answer to Angland's letter.

The petition referred to in the letters of the two men was shown to members of the Mokena village board and the plan commission at respective meetings of the two bodies but has not yet been filed with either.)

"In regard to your letter of May 18, which you also published in the Mokena News-Bulletin, it is plain to see that you wrote it primarily for publication because the items concerning the function of the planning commission, and the various other items concerning history of movement to Mokena, industrial desirability and taxation, are things which you know I am well aware of.

"When I presented the petition to the village board of trustees the petition had 192 signatures, it now has 300. A continued desire of people to sign it has delayed its return to the village board. When I contacted the village clerk, for a place on the agenda for the return of the petition, I was advised that it would be more desirable to present a complete petition rather than file subsequent signatures.

"You mention in your casual survey, which had to be very casual because you gave me a ten minute time limit in which to present the petition to your committee, that some of the signers live outside of the area under consideration. This statement is true, but all of these signers do own property within the area and are deeply concerned by your actions.

"For the purpose of clarification I am stating the complete wording of the petition as follows:

To: President and Board of Trustees

Village of Mokena, Illinois

The undersigned residents, owners and electors residing within the Village of Mokena and within an area one and one half (1 1/2) miles beyond the Village limits, hereby request that all of the area lying within one and one half (1 1/2) miles of the Village limits be designated for residential and needed business use under the proposed Official Plan of the Village and that the undersigned hereby object to any industrial designation and use of land with in said one and one half (1 1/2) mile area.

"I am sure after reading this you cannot honestly say that this is a confusing or misleading statement, yet you say your casual survey shows that some of the signers did not know what they were signing.

"The signers of the petition are not against planning, but are in favor of intelligent planning which we have seen

no evidence of to this date. Your professional planner, Mr. Muhlenbruch, stated at the meeting sponsored by the Lions that he wanted to plan with the people of the area, not for the people. I ask why hasn't this been done? You mention lack of information being the reason for opposition, could this be the reason for some of the opposition your group is encountering?

"When you differentiate between heavy and light industry and smoke belching chimneys along with unskilled laborers you are apparently unaware of the facts. Light industry can be obnoxious and can attract more than its share of laborers at the lower end of the economic scale. As long as we both fear these undesirable elements why not play safe and be very careful in our actions.

"You mention the plan commission does not have funds to engage in a wide program to explain your duties and functions in detail, but you did find funds to spend over \$2,000 for a land use map which you could have obtained at no cost, as did one of our neighboring villages. I might add that this map, prepared at no cost to their village was done so with the people involved having an opportunity to express their opinions.

"You mention various articles appearing in various magazines; apparently you have not read them because they stress planning with the people, not for the people. If you will check over some of the farmer magazines which you mentioned, you will find that they frequently carry articles from the readers protesting against this professional planning at the peoples expense.

"You even mention the national budget including an expenditure of one billion dollars. There are many items in the national budget which are wasteful and extravagant, which contribute more to higher taxes than a lack of planning.

"In your history of movement to Mokena you mention the influx of newcomers, who brought in large families and increased school costs. Will your planning control large families and decrease school costs? Where are the people going to come from to work in these factories? They may have large families and send their children to school also.

"You go on and give many figures about school costs, desirable industrial locations, tax values, landscaped factories but you fail to answer the important question of where do the children of the people employed in the factories go to school. Any industrial expansion in the Mokena area would bring in an influx of workers, because there is not a sufficient number of unemployed people in Mokena to man a plant. The majority of the people have steady jobs and would be reluctant to leave their jobs and lose their seniority just to work at a place closer to home.

"You mention McCook as an example of a town in which industrial tax receipts are heavy and where most of its

workers live in another area. Is there any doubt as to why they live in another area. Even the low taxes don't make living in close proximity to factories desirable. Your efforts to give us the low taxes and the type of surroundings that McCook enjoys is the reason the people of this area are uniting against you.

"Now to take the town of Lombard which you call a dormitory town. Both William Watson the village president, and Charles Willis, the village manager take exception to this designation. They cite the fact that the village has grown from 9,800 in 1950 to 21,500 in a survey just completed, and that the rising taxes have been brought about by the fact that the people have repeatedly voted for more and better services which they are willing to pay for. They pay five cents out of each dollar for their park system alone, whereas the cost of the entire village operation is only seven cents. As regards the village proportion of the taxes, the village has cut their taxes 7 to 11 percent over last year and next year will cut them another 4 to 7 percent, which speaks well of the management of Lombard. As another proof that it is not a dormitory town they issued over 240 building permits last year. Just last year the village of Lombard collected 96.7 percent of the total tax levy, so apparently Mr. Kuckenbecker's brother is one of the very few who has property in distress.

"As long as you have imposed upon me as a means of getting your publicity before the people I would like to ask you some questions, to which I would like some definite answers.

1. "Do you own any property within the area under consideration?

2. "In your frequent statement: "They will find out we do have jurisdiction a mile and a half outside the village" just who are the "they" you are referring to?

3. "A statement was made by Mr. Kohl, a member of your committee that he had received contributions from the Lincoln-Way High school and the Mokena school. This was proven to be untrue by letters I received from Mr. Chapman and the Mokena school board. Why was this untruth never corrected in the newspaper by your committee? Were you fearful of the people knowing the truth?

4. "When you were concerned about the small number of Mokena people in your night school classes at Lincoln-Way high school you called me for my advice and help, but when you concerned yourself with planning for the land use of my farm you carefully avoided discussing the matter with me. In fact when I appeared at your meeting to present a petition you insulted me by telling me that you would allow me ten minutes of time and this time limit would "have to be rigidly enforced." This was equally insulting to all the people who signed the petition. How can you justify this change in attitude?

5. "Mr. Kuckenbecker stated publicly that the reason he moved to Mokena was because

it was a quiet little town and a pleasant place to live and that if it became too progressive he would look elsewhere for a place to live. He said also some few will get hurt by this planning. What is the meaning of this type of statement from a member of your committee?

6. Please explain why a land use map which was to cost over \$4,000 was obtained at half price when the Federal Government refused to contribute toward its cost?

7. "Why have I not received the answers to the questions I directed to Mr. Muhlenbruch at the Lions open meeting. He publicly stated that the answers to the questions I asked would be sent to me. As of yet I have never received the answers. One of the questions as you will recall, was what other town of comparable size to Mokena had a land use plan map and when Mr. Muhlenbruch knew of none I asked why the demand for haste on our part to obtain one. Was it because you were afraid the people of this area would find out that one of our neighboring villages has secured such a plan at no cost?

8. "Will this land use plan be presented to the people so that they may vote on it and thereby have a n opportunity to express their wishes as to the type of community they wish to live in?

"In conclusion you may advise any one who signed the petition and was unaware

John Heitman of Manhattan spent the holiday weekend with Mrs. William H. Bettenhausen.

The Methodist church Daily Vacation Bible school began Monday morning. Mrs. Alfred Krapp is the superintendent of the school, which will be held for two weeks.

Mr. and Mrs. David Dralle and family spent the weekend in New Albany, Ind. attending a family reunion.

The Women's Society of Christian Service will meet at the Methodist church Wednesday afternoon, June 10 at 1:30 pm. Beginning with dinner coffee. Hostesses are Mrs. Fred Bettenhausen, Mrs. Harold Ullrich and Mrs. Siegfried Beckmann. The topic for the program is "A New Ambassador for Christ and the Tourist". On the program committee are Mrs. Edwin Dralle, Mrs. Dewey Andres and Mrs. Adolph Ullrich.

Mr. and Mrs. William C. Bettenhausen and family, Mrs. Mary Bettenhausen and Mrs. Christina Krapp of Manhattan

Business and Finance

By MAURICE P. ANGLAND

Some of the more astute students of foreign affairs are now pointing out the U. S. policy of economic aid to our

friends, is definitely paying off and in a manner which is having a great influence on Russia's own foreign policy.

The "cold war" or geopolitical war which has been going on since the close of World War II, is far from over, but it is apparent that the western world is, as of now, coming along nicely on the western front and some of the important Asian fronts.

We aided the western nations during the years since World War II with both economic and defense funds. The U. S. News & World Report now points out that these nations are now industrially way ahead of their prewar peak and their living standards far above those of Communist countries.

Analysts point out that comparisons between living standards in East Berlin and West Berlin, are the immediate burr under the Communist saddle, that actually the difficulty is one of over all comparison. It is next to impossible to sell a philosophy of life which apparently leads to a low standard of living and slavery as against a system which gives a high standard of living and maximum freedom of the individual.

Some of these analysts believe that the core of the Russian efforts in their activity to create further strife, is a desire to create a condition in which the western world will now aid Russia in economic growth to the level of the western world. They point out that prior to coming under Russian domination, western Poland had been showing steady progress in standard of living; Czechoslovakia had one of the highest living standards in Europe; Hungary and the Ukraine were the granaries of Europe; and Communist Germany was in highly productive area and might be enjoying the present prosperity of Free Germany.

The European common market with currency interchange and minimum of tariff barriers, which came into being the first of the year, has aided industrial development and far more than was anticipated. It is pointed out that it is next to impossible to keep this standard of living disparity from those behind the Iron Curtain.

Comparisons such as this increase unrest and tensions for Russia in its own area which is one of the objectives of geopolitical war. Russia has used and is using her methods and we our particular system of economic and defense aid. Economists and geographers have long discussed this type of warfare, but it has never been done before on a sizeable scale. It is just as calculated as any shooting war and very expensive, but without the theatrical aspects of personal heroes or public appeal.

We now hear that Europe can out produce us in certain fields and with lower wages. The European wage scale will no doubt improve, but it is only a few years ago when we feared the desperation in Europe, would drive the people into the arms of the Russians and our own position dangerous.

Europe and ourselves can now do business on a basis profitable to us both and a minimum of air or gifts.

Students of geopolitics stress the point we are still at war with Russia and economic aid to her may be harmful to our own position.

JESSE OWENS, center, 1936 Olympic sprint champion and principal speaker at the Bremen community high school 'B' club dinner last Wednesday, poses with younger champions and their fathers. He is flanked by Robert Rodger on his right and Dennis Tatum on his left, both of Tinley Park. The proud fathers are Alex S. Rodger on the left and Oswald Tatum on the right. The youths received special

athletic awards from the Chicago Tribune in recognition of their ability. They were selected on all-conference teams, Bob for basketball, and Dennis for football. Both were also selected for all-state honorable mention by the Champaign-Urbana Gazette. Bob Rodger was also named on the all conference baseball team the last two seasons. (Marvin Smith photo)

National Math Club Establishes Chapter at Carl Sandburg High

The announcement of a new charter members to the Carl Sandburg high school chapter of Mu Alpha Theta, National high school and junior college mathematics club, was made recently at the school's honors night.

Selected for the honor on the basis of classroom performance, all of the students must have maintained a B-plus average or better while taking two semesters of algebra, two semesters of geometry and a course in advanced algebra.

Earning distinction in the field of mathematics at Sandburg, the following were chosen: Bob Stellwagen, Kenneth Miller, Eric Johanson,

Jerry Hosier, David Gibson, Robert DeVoursney, Norman Behn, Tom Barton and Reed Williams.

William Kallal and Mrs. J. Capper, head of the mathematics department were selected as members to sponsor the group. All of the students named this year are seniors. However, next year selections will be made earlier in the year so that the group might function thru the year.

In addition to maintaining a fine record in math, Bob DeVoursney also was given a first place ranking at the State Science Fair this past year for project on "Topology" a field of mathematical study.

Post-War Births Will Hit High Schools in 1960

During the past school year voters of District 230 went to the polls to approve a one million dollar expenditure for an addition to Carl Sandburg high school and further land acquisition.

Now in the early stages of construction, the new facilities at 133rd and LaGrange road will increase the school's student capacity to 2,000.

The first wave of students reflecting the high post-war birth rate is expected to come to Sandburg in the fall of 1960, the expected completion date of the new addition.

At the present time, construction work is on schedule and barring unforeseen difficulty the new addition should be ready when needed. Certain portions of the new construction should be ready prior to the opening of school in 1960.

Included in the present building program is a swimming

Organize Three Little League Teams Saturday

By ELIZABETH E. ANDERSON
Lockport 886W2

Little League baseball made a good start when they organized three teams after try-outs at Reed school grounds last Saturday. They will hold games each Monday and Friday evenings, promptly at 6:30, at the Reed playground.

pool designed to get year-around use. Since Sandburg has only two gymnasiums for indoor physical education, a pool will give another indoor teaching facility as well as providing an outstanding facility for community use.

During the past five years, student enrollments at Sandburg have increased 121%. If this growth continues at that rate, District 230 will have approximately 6,500 students to be educated at the high school level in the 1970's.

bers, the board, principal Mrs. Lahman and Rev. James Elvig were seated. The class and honored guests entered to the music of "Pomp and Circumstance" played by Betty Andersen. Mrs. Lahman presided.

Rev. Elvig gave the invocation, vocal music was rendered by a chorus of seven under graduates; Marcella Troutman gave the salutatory and Sandra Kelm the class history. The class will, by Judy Termunde and Barbara LeFevres caused much merriment as did the prophecy by Craig Gebert and Carol Yunker; followed by the valedictory by Faye Anderson and a brief talk to the class by Mrs. Lahman. She presented the class to the board, and President Russell Lauffer awarded the diplomas. The benediction followed, and so another group of youngsters were launched into the high school world.

Several family parties were held in homes after the exercises.

Last Tuesday evening, the class went to dinner at "Bit-O-Sweden" near Aurora, then went bowling, as a graduation treat. They were accompanied by Mr. and Mrs. Andrew Lahman, Mr. and Mrs. Fred Gebert, Mr. and Mrs. Elmer Kelm and Mr. and Mrs. Henry Rodgers.

The name of John Hadzjak was omitted from the list of Lockport high gradu-

ates who reside in Homer township. We do congratulate you, John, and are sorry to be late.

Several people from here attended the Baccalaureate service at L.T.H.S. Sunday. The Homer Men's club will hold their monthly meeting at the Town Hall on Tuesday evening, June 9.

Mr. and Mrs. Ray White spent the past week at their summer home in Michigan.

Mr. and Mrs. Charles Jensen visited with relatives in DeKalb last Sunday.

Sunday, June 7, will be Loyalty Day at Homer church when members and friends make their pledge for the support of the church for the fiscal year. Letters are being sent out this week by the finance committee.

The name of John Hadzjak was omitted from the list of Lockport high gradu-

Homer young people who completed eighth grade at Ludwig school this year include: Anna Peckett, George Burcham, Beth Benson, Charles Elavich, Stanley Bernet, Robert Carr, David Carver, Gary Gestner, John Hallis, Ruth Kuhn, Linda Larsen, Nancy Holt, Nancy Jungles, Mary Snyder, Renee Marzer, Marcia Schultz, Jerry Spencer, Oscar Suk, Thomas Suk, Charles Trantman, Judith Wilson, and Catherine Zander.

Mrs. B. K. Longman, a special teacher in the Joliet school system, was guest speaker at the last meeting of 33-C school club May 21.

Bible School When Vacation Bible school opens at Homer church Monday a.m. June 8 at 8:45, Rev. James Elvig will be supervising, assisted by Mrs. Elvig. Other teachers will be Mrs. Robert Niven and Mrs. W. B. Champoux; assistants to the teachers will be Mrs. John Hollister, Mrs. John White, Misses Edna Burcham, Bety and Paye Anderson. Mrs. Robert Shepherd will have charge of the refreshments.

Subsidization of the CTA

It is to be hoped that enough legislators from suburban Cook county and downstate counties get together to defeat the move by the city of Chicago and its transportation company to divert some of the taxes paid by motorists to subsidize the bus and L lines serving Chicago.

If the city of Chicago wants to subsidize its public transportation facilities then let the politicians there get a law enacted whereby a special tax could be levied for that specific purpose.

Perhaps this would require a constitutional change or perhaps the legislature has the power to do it. There are a lot of laws on the books that are applicable only to Chicago or county so perhaps one more could be put thru.

Under one bill now pending Cook and 14 other counties with a population of 100,000 or more, would be authorized to levy a cent a gallon on gasoline. The proceeds, the bill says, would be used by the county to promote more efficient use and relieve congestion and wear and tear on the highways.

Just why it is believed that buses pounding along the highways create less wear and tear than passenger cars is not explained. Nor is any explanation given as to how this tax on gasoline will be beneficial to the motorist.

Motorists have no greater taxpaying ability, as far as we know, than any other group of citizens.

Motorists are already paying one of the heaviest tax burdens ever imposed on a special class of taxpayers.

Another house bill would permit the Chicago Transit Authority to levy a property tax not to exceed five cents per \$100 of equalized assessed valuation for capital improvements and maintenance purposes. Proceeds from such a levy also could be used for debt service on general obligation bonds issued for such purposes.

Before such a property tax could be levied it would have to be approved by the voters at a referendum but the Chicago Transit Authority board would be the only judge of how the tax funds were spent. There are many who believe that in the event such a tax was approved the voters should also have some voice about the improvements to be financed.

There are thousands of persons living in suburbs in Cook county that are not served by any form of public transportation and it hardly seems fair to tax their gasoline or their property to subsidize the transportation of Chicago residents.

showed one out of two had at least one decayed tooth. The average 16 year old has seven permanent teeth decayed, missing or filled.

Bacteria play an important part in the process of tooth decay. Enormous numbers of bacteria are present in all mouths. They feed on scraps of food substances which are left in the crevices between the teeth, or on the uneven surfaces of some of the teeth.

In the course of their feeding they manufacture acids which dissolve the enamel of the tooth at the particular spot the bacteria have accumulated in the greatest numbers. The corrosive acids eat small holes in the hard enamel, the body's toughest tissue.

The enamel is a glassy mixture of phosphorus and calcium, and other minerals and it crowns the tooth like a thimble on a finger. Once the enamel gives way to the acid, the dentine and the soft part of the tooth, known as the pulp, becomes vulnerable.

When the nerves in the pulp detect the encroaching decay, they send signals of pain to the brain. If left untreated, the infection will spread thru-out the pulp, eventually destroying the whole tooth.

In this age of television, where there is great emphasis on good teeth, the loss of teeth carries a great psychological impact. Few things contribute so much to good health, good looks and the enjoyment of living as a sound set of teeth. Stained and unclean teeth create an unfavorable impression. They lessen the young person's chance of gaining a good position in the business or professional world.

Neglected teeth not only detract from appearance but also may have a physical effect on health. Dental infection may be a contributing cause of a number of diseases. It may spread directly to the sinuses and may be the cause of osteomyelitis of the jawbones. Next week: The Results of Neglected Dental Decay.

Letters to the Editor

WHAT GOOD ARE SPEED LIMITS?

Dear Sir: West Avenue in Orland Park has a speed limit of 30 mph—but it seems that the only ones who know it are the people who live on the street!

Until a home building boom hit the town, West Avenue was a quiet street with a speed limit of 25 mph. Suddenly it has become a super highway—being the only thru street from one end of town to the other for all kinds of vehicles from baby buggies to cement mixers. There are no sidewalks for pedestrians and school children take their chances four times a day on foot and bicycles. With school out they will be on the street constantly.

We think that in selecting a person for a job his ability rather than his diplomas should be the deciding factor.

If college enrollments continue to grow as the trend indicates there will be so many graduates 15 and 20 years from now that the diplomas will have to be mass produced by machines. You know, each student will be given a number that will be fed into a machine that in turn will transcribe it into his name.

And speaking of machines, when the various "electronic brains" now talked of are put into use what price will degrees be then?

wish to speed. Then, when enough money is collected (and it would be in a very short time) put in a sidewalk, if it hasn't been used for a funeral or two in the meantime.

There are those who say children should not be in the street—I agree. I tell my children every day to stay off of the street. Every day they forget, or else they try not to get wet feet, which is something else they are told not to do. As things are, they either walk in a wet ditch or in the street—where so many cars, trucks, etc., are not always remembering something also—the speed limit.

Please—everyone using West ave.—drive within the limit. The police have promised to help us in this matter and are going to be on the lookout for law-breakers—and that is what you are whenever you drive over 30 mph on West ave in Orland Park.

Mother of Six

FEARS INFLATION

Dear Sir:

I am deeply worried at the prospect inflation may soon take an upward course. This is no matter of impersonal economic statistics.

It siphons money from my pocketbook. It withers the value of my savings, my insurance, my bonds. It blights my pension and my social security reserve.

I urge you therefore to: Vote against every wasteful duplicating expenditure. Block every effort by selfish groups to make the U. S. treasury their private reservoir.

But don't use a meat ax or blunderbuss. Saving doesn't mean senseless cutting across the board.

Remember that your vigilance against inflation must be never-ending.

The guard upon our dollars can never rest. Only then can we hope for real security.

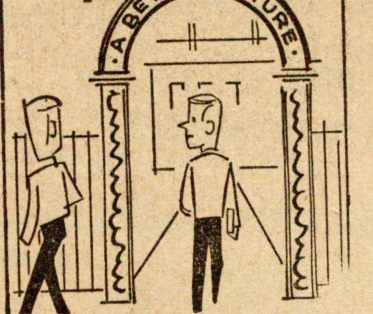

E. A. Osmus and family, 419 N. Cedar rd. New Lenox

Dr. Merle Otto Takes Post-Grad Work in Pediatrics

Dr. Merle Otto of the Hedger Clinic, Frankfort, has recently completed a two-week, post-graduate course in pediatrics at the Cook County graduate school of medicine.

The course was held at the Cook county school building and the clinical aspects at Cook county children's hospital.

EDDIE the EDUCATOR says

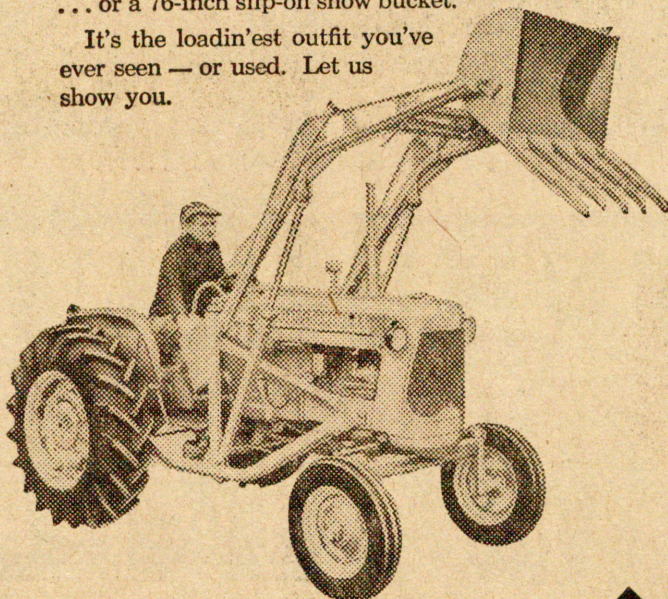

TEAMED for tops in power loading

Take a D-14 Tractor... low enough to step on and off... compact... easily handled... plus POWER DIRECTOR with oil-cushioned clutch action that permits on-the-go shifting—or easing ahead or back—while bucket moves up or down. You can operate at full engine speed for extra pushing power, quick hydraulic response; yet have easy control of the tractor.

Plus a No. 14 Farm Loader... tailor-made for the D-14 Tractor... with a 6-bushel combination bucket that lifts high for easy loading of trucks... or a 76-inch slip-on snow bucket.

It's the loadin'est outfit you've ever seen—or used. Let us show you.

Mental Hospitals to Take Part In 15th Annual Therapy Institute

Tinley Park State hospital, as well as the state's other mental hospitals and schools for the retarded, will be represented at the 15th annual Activity Therapies Institute, to be held from June 10 thru 12, Illinois School for the Deaf, Jacksonville, Ill., will be the site for this year's institute.

The occupational and recreational department at the hospital will be participating in the various workshop sessions, seminars and discussion meeting. Mrs. Delores Taylor, Jere Braden recreation workers; Mrs. Vera Russell and Mrs. Fern Buck, occupational workers, and Miss Catherine Keys, musician will attend.

For the first time in the 15 year history of the institute, more time will be devoted to workshop sessions. These will include creative dramatic workshops and exploring the possibility of paper as a creative medium. Also, more exhibits will be utilized in depicting work done by patients.

Tinley Park State hospital will be participating in an exhibit covering hand painted printed batik silk squares. Patients are taught the process of working with this kind of material.

The Activity Therapies Department in mental hospitals work with patients in the ar-

ease of occupational and recreational activities. It provides a form of productivity that is part of the patient's therapy program and the eventual return of that patient to community life.

The theme of the institute this year is, "Helping People, an Evolutionary Process."

A highlight of the institute will be the appearance of Mrs. Gail Fidler, an OTR Instructor, Plainfield, N. J. Mrs.

Fidler has written the latest book on Activity Therapies and is one of the country's most renowned persons in this field of occupational and recreational therapy.

On Second Thot

by Glenn F. Logan
The Commencement season is again at hand and all over the land parents and offspring are caught up in the rush and excitement of graduation fever

This month will see the distribution of hundreds of thousands of diplomas and diplomas given out were really made of sheep skin there would be a few flocks left in the country and an over supply of mutton.

If all the sheep were laid end to end they would be exceeded only by the length of speeches of commencement speakers.

The Commencement season has been big business for many years and is getting bigger. More and more youngsters are going to school so naturally the number of graduates is increasing. This means that more goods are in demand for gifts.

There was a time when a watch or a diamond ring was looked upon as top drawer gifts for either college or high school graduates but now it is different and parents have no one to blame but themselves. They give their children so many things that they become surfeited.

Kids get watches and rings now when they graduate from eighth grade and many of them are rather bored with such presents because they are repeats. They got watches and rings when they graduated from kindergarten.

What a youngster really wants when he graduates from eighth grade is a car. For a time dotting parents could compromise on the car by giving the eighth grader a motor scooter but these are taboo now until the child becomes old enough to get a driver's license.

Cars are still acceptable as graduation gifts a high school

at BABY TIME

Welcome Wagon celebrates the arrival of each new baby with a friendly call—with a basket of gifts and congratulations of the entire community.

Be sure to tell Welcome Wagon of the arrival of every new baby in your life.

Tel. New Lenox 4521

WELCOME WAGON

and college levels, along with high power boats. College graduates will appreciate much less too. Being away from home and thus separated from direct contact with the source of supply they begin to realize that money bushes are more or less a figment of the imagination.

Contact with fellow students who are married and have started families also serves to remind them that beer, skittles and bowls of cherries are only interludes and life is very real indeed.

The smart manufacturer, regardless of his product, can usually get a piece of this graduation business if he employs an advertising agency that is on the ball. For example, what would be more intriguing for the graduate who has everything than a bulldozer or a do it yourself kit with which he could build a real ocean liner and go in business for himself?

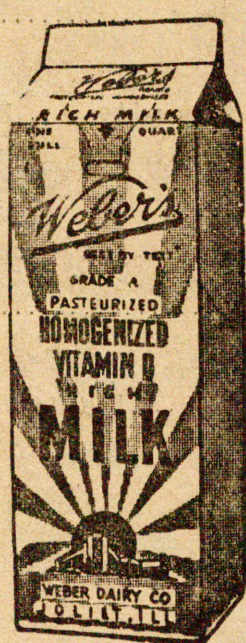

The biggest gift of all today comes from the college or university in the form of a degree. If a person doesn't have a degree today he will find it tough to get a job.

Some of the big companies now will not hire a clerk or a salesman unless he or she has a degree. It doesn't seem to make too much difference what kind of a degree it is or whether the holder is on the stupid side and unable to spell simple words correctly—just so he has a degree. But that is the way it is—no degree, no job, worthwhile. So those who can had better get one.

Some of our greatest companies were organized by men who never saw a college until they began to endow them but apparently we don't have them kind of men no more, as a major in English might phrase it.

Volunteers Collect \$325.64 in Recent Cerebral Palsy Drive

By KATHARINE HEISNER
Frankfort 5:37

The sum total of \$325.64 was collected in the recent Cerebral Palsy drive of Frankfort and Lincoln Estates areas.

The volunteer women of the drive were: Mrs. Leo Haakinson, Mrs. Lloyd Matthews, Mrs. Otto Walters Jr., Mrs. Charles McManimen, Mrs. Glen Warrington, Mrs. John Nichol, Mrs. Melvin Eastman, Mrs. Dan Hecht, Mrs. Harold Cheney, Mrs. Leonard Patterson, Mrs. James Logan, Mrs. Frank Folci, Mrs. Calvin Heath Jr., Mrs. Irene Scates, Elaine Urbano, Mrs. G. Kaehler, Mrs. S. Baisie Frieda Wille, Adrienne Albrecht, Mrs. Tony Laurie, chairman.

The Senior Youth Fellowship of the Methodist church is having a parcel post sale on June 17. It would be appreciated if anyone interested would send a package worth about \$50 to the following address:

Parcel Post Sale
Frankfort Methodist Church
Frankfort, Ill.

The Frankfort Daily Vacation Bible school began last Monday morning with an enrollment of 210 pupils. About 32 teachers and helpers have offered to assist. Mrs. Lewis Ebert and Mrs. Erich Bizer are the chairmen at St. Peter's church and Mrs. Scates and Mrs. Mowatt have charge at the Methodist church. The Rev. Bizer and the Rev. Ben Day are deans of the school. The lesson material is the cooperative series, "God and His World."

On Friday evening, June 12, a special program will be given in St. Peter's church parlors by the various departments and a display of the work done by the individual and departments. The program will begin at 7:30, but adults will visit the various rooms prior to this time.

The Methodist and St. Peter's churches are cooperating in this school and are also subsidizing it financially. But financial help from the children in the way of offerings is invited, especially on the evening of the program. Parent support will be appreciated.

A large audience last Sunday morning and evening participated in the dedication of the organ at St. Peter's United Church of Christ. The organ is a product of the Wicks Organ Company of Highland, Ill. and is being purchased thru St. Peter's Memorial Fund. James Thunder, representing the company, played the instrument in a masterful way at the services.

Definite memorials have been given and promised at this time to supplement the fund. Later on, in the fall, a special service of recognition and dedication of the Memorial plaque is planned, with a special musical program.

Mr. and Mrs. Walter Pfaff, Mr. and Mrs. Ralph Nieland and daughters and Miss Sylvia Pfaff of Joliet were guests of Mr. and Mrs. Erwin McGovney of Cherry Hill on Memorial Day at a potluck dinner in honor of Mr. McGovney's birth

day. Mr. and Mrs. Lester Heisner entertained at a buffet supper Saturday. Guests were Mr. and Mrs. George Mager of Joliet, Mr. and Mrs. Ralph Staples of New Lenox, Joseph Ficker of Tinley Park, Mr. and Mrs. Wayne Osborne and son Mark, Mrs. Katharine Heisner, Mr. and Mrs. Harry Miller and daughters, Donna and Torna and Mr. and Mrs. Edgar Lund.

The Auxiliary will have their monthly meeting next Thursday evening at the village hall at 8 p.m. with Mrs. Glenn Burkett presiding at the business meeting.

The grade school faculty of Frankfort enjoyed lunch Monday noon at Lincoln Heights, then on Tuesday were guests of the officers and board members of the PTA at a luncheon at Valley View.

Mr. and Mrs. Walter Salzwedel, William Schoeling and Mrs. Herman Kummelmeier of Matteson, motored to Grenola, Kansas last Sunday visiting with Mr. and Mrs. Harley Salzwedel and family. On Monday they all attended the funeral of Mrs. Sophia Bode at Fairmont, Okla. They also called on relatives at Enid, Okla. returning home last Tuesday evening.

The official board of the Methodist church will have their monthly meeting Monday evening at 8 p.m. at the church.

The Senior MYF of the Methodist church had installation of officers Sunday evening as follows: Bruce Lewin, president; Ruth Ann Rainford, vice president; Nancy Heisner, secretary; Douglas Heisner, treasurer and Ronald Hilton, reporter.

Mr. and Mrs. Willard Burde entertained at a buffet dinner on Memorial Day in honor of their son Steven's fourth birth day. Their guests were Mr. and Mrs. Walter J. Weise, Mr. and Mrs. Carl Colgrove, and family and Mr. and Mrs. Ray Ryan and family, all of Lockport, Mr. and Mrs. George Slager and family, Mrs. Ethel Colgrove and Claude Colgrove, Jr. all of Orland Park, Mr. and Mrs. Lawrence Burde and family of Lemont, Mr. and Mrs. John Hendon and family of Midlothian and Mr. and Mrs. Stanley Warrington.

Bruce and David Lewin, Ronald Hilton and Douglas Heisner attended the sport car races held at Meadowdale this weekend.

Mr. and Mrs. Paul Lambrecht entertained at a neighborhood outing at their place on Memorial Day beginning at 8:30 a.m. for breakfast and in the evening a potluck dinner at 5 o'clock.

At the Memorial Day program the American Legion presented the following awards: Outstanding 8th grade girl, Betty Gail Michell, runner up was a tie of Juanita Hansen and Rina Mowatt; outstanding 8th grade boy, Richard Osmus; runner up was Arnold Blavlock. Essay awards on great Americans went to Bonnie Frodin, 6th grade; Susan Lauffer, 7th grade and Marilyn Deist, 8th grade.

Real or Play Schools — That is the Question

Editor's Note: The following is taken from a speech delivered by William O. Fisher, Supt. of Carl Sandburg high school at the last PTA meeting and is carried here because it carries some provocative thoughts. There is a lot of hurrah about schools and education and a lot of hokey too. Supt. Fisher points this out.

"School administrators have taken a rather dim view of criticism of public education—but it keeps us from relaxing. For generations we have tried to get the public to take us seriously, but for all the good it has done, we might as well have shouted in the face of a hurricane.

"Now the public has awakened; it is taking us seriously. So instead of striking back instinctively, we school people should, it seems to me, be more intelligent to listen attentively to the present criticism.

"There is no question but that the greatest sociological phenomenon of this generation has been the increase in the number of persons going to school. In a forthcoming book, *The American College*

President, by Harold Stoke, president of Queens college, Dr. Stoke says, 'education began to occupy itself, if not less with the cultivation of excellence, at least with the happiness of all.

"May I say that of course I am a dedicated believer in democracy in education, but that I firmly believe that we can easily go overboard in the matter. It is all very well to say that one child has the right to all the school advantages offered to any other child, but push that to its logical conclusion and you find yourself saying that the student in a logging camp school in the upper peninsula of Michigan is entitled to as varied and complete curriculum as is any child in one of our fine suburban high schools.

"Will there be any serious challenge to the theory that the right to go to high school, and to graduate from high school, is almost inalienable? How seriously, if at all, will we question the right of every individual to go to college or to continue in college? How much of an educational smorgasbord must we lay before our students? Must the

educational pabulum offered to our students be further diluted so far that every child can receive a college degree?

"Unless bold, imaginative steps to improve quality are taken, I am confident that education for mediocrity will have been achieved. Is our task, as educational leaders, to develop schools or educational institutions?

"I am becoming more convinced each day that our American high school is attempting to be all things to all children at all times and is on the verge of falling flat on its face. We have had our problems and the post-war birth rate is still to come (to the high school). Serious questions, serious times. We cannot move in haste, without forethought, without wisdom, but move we must.

"Every national emergency in the last 50 years, with its corresponding criticism of American education, has caused school administrators to jump to the other side of the fence on the question in conflict. Progressive education, the entrance of vocational education, World War II and physical fitness, and Sputnik have all caused school men to jump—and the unfortunate

part is that most jumps are as far to the other side as a clock pendulum swings."

"We must objectively view American high schools, decide what we want in the way of education, forget about outside pressures, consider what is best for the boy and girl and develop an educational program to meet the objectives outlined.

"In both our curricular and extracurricular programs, we shall continue to strive to make Carl Sandburg high school one of the finest educational institutions in the suburban area. This greatness will not be achieved in one year—perhaps not even in a decade—but will be achieved thru the joint cooperation of a dedicated board of education, interested citizenry and a teaching staff that is willing to go to work.

"In all sincerity may I conclude by stating that whatever success we have achieved, if any, in the past four years has been primarily the result of a dedicated board of education 100% behind our efforts, and the interest and enthusiasm of parents who desire progress towards the greatness that can be achieved."

der. Unless we are prepared to meet it with ideas born of Christ, rather than primarily with armament and nuclear weapons, disaster lies ahead.

When Christ came to the earth to save humanity, He did not choose Rome, the center of the world-ruling Empire. He sought no office. He wrote no books. The mighty did not accept Him.

But to the little circle of His friends, He became a flaming fire. He gave them new conceptions of selfless service to others, of the depths of divine love, of the power of God in daily life.

In this time of profound world need, God is calling upon us, as He did upon

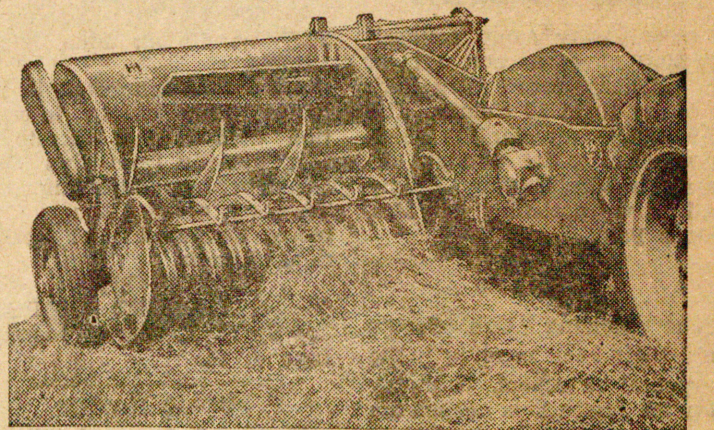

Christ's disciples of old. He calls us to spread the flame of Christianity among those close to us and to set the world on fire with the gospel and spirit of Jesus Christ.

PRAYER: O God, give us courage, understanding and love like unto Christ's. May He shine out thru our lives so that we may win for Thee all those whom we touch. In His holy name we pray. Amen.

THOUGHT FOR THE DAY: In the face of the world's need, our need is to live for Christ.

Francis B. Sayre, Diplomat (District of Columbia)

Since lawn weeds are young and growing rapidly, they are still easy to control because during this period the tender plant tissues are most susceptible to weed killing chemicals. Perhaps the most noxious lawn weed is crabgrass. It flourishes in just about every section of Illinois. Three chemicals, however, will successfully control crabgrass. They are disodium methyl arsenate, potassium cyanate and phenyl mercury acetate.

These materials are sold under trade names and are usually available in either liquid or dry form. Liquid materials are applied with a hand sprayer or ordinary sprinkling can. Dust forms, which are sometimes combined with 2,4-D to control broadleaf weeds, are easily applied with

a fertilizer spreader. Of the broadleaf weeds, dandelions are the most common. Two other examples are creeping Charlie and wild morning glory. As a general rule, 2,4-D gives excellent control to these weeds. However, a double strength portion is needed to kill some broadleaf weeds, such as creeping Charlie. Dandelions require a normal dosage. Be careful in applying 2,4-D. If it is handled carelessly, it may drift to shrubs, vegetables or fruits, injuring them permanently or even killing them. Therefore apply this chemical when there is little or no wind. Keep the nozzle close to the ground. A shield around the nozzle will also help to prevent the chemical from drifting too far.

Cracking of tomatoes is one of the major problems facing both commercial growers and home gardeners. Cracked tomatoes bring extremely low prices or cannot be sold. To combat this problem, University of Illinois horticultural researchers are attempting to develop crack resistant varieties.

Maneb or Zineb will control four diseases, early blight, septoria leaf spot, anthracnose and late blight in tomatoes.

American farmers can expect their total 1959 net farm incomes to drop about \$1 billion below last year, says a University of Illinois agricultural economist. This decline will be due largely to increased costs and reduced Soil Bank payments.

Mary A. Van Iten, Plaintiff

vs.
Marvin Van Iten, Defendant

CASE NO. 60417

NOTICE BY PUBLICATION

The requisite affidavit for publication having been filed, notice is hereby given you, Marvin Van Iten, Defendant, in the above entitled suit, that the above suit has been commenced in the Circuit Court of Will County, in the State of Illinois, by the said plaintiff, against you, praying for separate maintenance, and for other relief; that summons was duly issued out of said Court against you as provided by law, and that the said suit is still pending.

Now, therefore, unless you, Marvin Van Iten, the said defendant, file your answer to the complaint in said suit or otherwise make your appearance therein, in the said Circuit Court of Will County, in the State of Illinois, held in the Courthouse in the City of Joliet, Illinois, on or before the 22nd day of June, 1959; default may be entered against you at any time after that date and a decree entered in accordance with the prayer of said complaint.

Dated May 6, 1959.

NOTICE TO:

Lottie Long, owner, Long Man, to whom Lot 178 was last assessed, Lottie L. Pang, to whom Lots 176 and 177 were last assessed, unknown owners or parties interested in said real estate:

Take notice that on March 20, 1957, Irvin Van Dyke and Edna Van Dyke, at sale made in pursuance of a Decree entered by the Circuit Court of Will County, Illinois, in the cause entitled "The People of the State of Illinois Vs. Lottie Long, Et Al," and numbered 58505, purchased the following described real estate:

Lots 176, 177 and 178 in Oak Highlands, a Subdivision of part of the West half of the East half of the East half of Section 14, in Township 35 North, Range 10, East of the Third Principal Meridian, according to the Plat thereof recorded September 14, 1922, in Plat Book 19, page 49, as Document No. 347707, in Will County, Illinois.

That there was included in the decree for which said real estate was sold, general taxes for years 1937 to 1955, both inclusive.

That the extended time of redemption from said sale will expire October 1, 1959.

Further take notice that the purchasers have, this 20th day of May, 1959, filed a petition in the Circuit Court of Will County, Illinois, in Case No. 58505, praying that said court order and direct the County Clerk of Will County, Illinois to issue a tax deed conveying said above described real estate to the purchasers, if said real estate is not redeemed from said sale in the time allowed by law.

SCOUT NEWS

Trikena Neighborhood

Trikena day camp counselors will have a cook out at the Mokena community park on June 10 at 12 o'clock. The day camp director is Mrs. Duane Knize, the assistant director is Mrs. Arthur Leamy and also assisting is Mrs. James Pels.

Cub Pack 40

The Mokena Cub Scouts held their Pack meeting in the Carpenter st. school, Thursday May 28. James Pels opened the meeting with Den 2, Robert Bills, Robert Sorensen, Ricky Book, Gary Horras and Kenny Warning in charge of the flag ceremony. Mrs. George H. Bills is Den Mother.

The theme for May was square dancing and Mrs. Walter Rogers den presented an entertaining program of square dancing. Her den is 5 with Kenneth Rogers, Danny Gohs, Frank Sizer, Jonny Sluis, Ricky Olson and Donald Carroll.

George Gorman presented awards to John Sluis, wolf badge, Gerald Tomas, wolf badge, Bill Wilson, bear badge and golden arrow, and Dale Booble, gold arrow for bear badge. Arthur Omland, scoutmaster, assisted by his Boy Scouts, conducted the graduation ceremony to George Gorman, Toby Nichols and Jim Sheridan. Refreshments were served by Mrs. Charles Kiedalsch, Den 4 and Mrs. Eldon Schwarz, den 9.

Big news for June is the potluck picnic scheduled for June 10 at 7 p.m. in the Mokena Community park. Relay races and prizes will be in charge of Alvin Sorensen and James Tilsy. All Cub Scout families should try to attend this picnic.

The Red Cross Learn to Swim campaign starts June 29 at Nowell Park pool in Joliet. The schedule is as follows: June 29-July 10, July 13-July 24, July 27 to Aug. 7. Enrollment is at Nowell Park pool June 15 thru June 19. However any parent interested in the swimming program should call Mrs. George H. Bills, 2573 and she will register the boys here in Mokena.
